

PAPERS.

The "British Workman," "Children's Friend," "Child's Own Magazine," and "Infant's Magazine," have been supplied to the scholars during the year.

PIC-NIC.

Our Annual Pic-nic was held on 20th June last at St. Rose. The teachers were much gratified at the interest shown by the friends of the school on that occasion.

REWARDS.

A change has been made in this connection, in the substitution of a written examination on the lessons, chiefly on those of the last quarter, instead of a recital of the Shorter Catechism, as heretofore. About 20 members of the school took part in this exercise, and the results of the examination will be presently announced. The usual prizes for diligence in Missions will also be distributed this evening.

MEETINGS.

Regular business meetings have been held during the year, also the meeting for prayer at the close of each Sabbath's work.

We would bespeak a continued interest in the prayers of the friends of the school that our labors may be blessed, and many of our young people gathered into the fold of the "Good Shepherd."

Respectfully submitted.

GEO. HYDE,

Secretary.
