YESTERDAY'S SPECIAL WAS

**SAL VOATILE**

**10-1, Won**

As filed with The Toronto World, and the only horse handed out by yesterday. Our message read, straight to win. Strictly one-horse wire.  
You didn't see any of the others handing out Sal Volatile yesterday, did you? I guess not. None of the other folks had any idea the owner would put this one over, but FITZGERALD had the word right straight from headquarters, and his constituents reaped the harvest.

Talk about your real live inside information! I guess that one will convince all you skeptics that I've got all the others lashed to the mast when it comes to delivering the goods, and they are all green with envy at the way I have revolutionized the information business.

**TO-DAY, 5-1**

Another good thing for to-day, boys, that will come home by itself, or first.

**GRAND GUARANTEED SPECIAL**

**GOES FRIDAY RAIN OR SHINE**

This horse has been specially prepared for this race and I will guarantee him to win and win only and be 5-1 or better, or give next special free.  
This one is really too good to talk about, and all I'm going to say is, if you miss this one you will have good reason to regret it for the rest of your natural life.

It comes from a source that never goes wrong, and you can take it from this one he is not going to start in at this late hour.  
You live out of town telegraph your subscription fee, or send it by express company. If you live in town drop into my office any time after 10 o'clock. Positively no business done by mail.

If you intend subscribing, I know of no better time than right now, for I am in a winning stride, and putting them over like clockwork.  
Good information is cheap at any price. Terms \$2.00 daily, or \$10.00 weekly.

The Stevens-Duryea Model XXX Runabout, \$3900 - If Desired is Fitted With Baby Tonneau.

## True Motor Car Elegance In This Popular Stevens-Duryea Model

This car is popular priced and constructed along thoroughly modern lines. Has same power plant as embodied in our famous Model X. True worth of an automobile is based on its antecedents ---mechanical excellence---economy of maintenance and durability. These main essentials are strikingly exemplified in the XXX Runabout---built to meet the demand for a gentleman's roadster.

The Stevens-Duryea purchaser should not overlook the fact that "first cost" is not the only consideration. The Stevens-Duryea Models, although higher in price than some others, cost so little for maintenance that they quickly pull down the first overplus, if any, in cost.

MODEL X. Standard, 4-cylinder touring car, 24-35 H.P., 5 passengers.
