future of the Cobalt market to-day owing to the larger orders received from their clients.

There was sufficient stock on offer, however, in all the active issues to prevent this buying having any immediate and responsible effect upon mediate and responsible effect upon series of the color \$14,400,000.00 owing to the larger orders received

quotations. It is still recognized that any advance in the market is being fought by professionals who are anxious to have prices range at a lower level so that they can cover up the contracts which they have already outstanding.

600 at 26%, 300 at 26%, 500 at 25%, 100 at 26%, 100 at 69%, 500 at 68%, 500 at 26%, 100 at 69%, 100

contracts which they have already outstanding.

The principal dealings to-day were as usual confined to four or five issues and without any new information in connection with the properties, except Nova Scotia. A new strike has been reported on this property, and the company's concentrator has been started working, but there was no strong influence in favor of advancing prices. La Rose, Nipissing and Kerr Lake among the high priced shares were somewhat firmer, and this served to stimulate the buying of the medium priced issues.

priced issues.

There is an increase in the interest being taken in the sliver securities from New York and other leading American cities, and the visit of several control of the control American cities, and the visit of sevAmerican cities, and the visit of sevceral parties of Americans to Cobalt
and the surrounding camps recently
is having a favorable influence among
United States investors. It is not anticipated that the market will break
out into any great activity for a while
owing to the dulness on the larger
exchanges, but again it is not thought
that there will be any lapse in values
from those which have recently ruled
in the market.

PETERSON LAKE IS GOOD. Peterson Lake Cobalt Mining Company has aroused the interest of capitalists hitherto but slightly connected with Cobalts. What's the reason?

several squabbles over Cobalt mining companies, has issued a four-page circular that makes confusing reading. When there is a hen on Brother Forst

L. Mitchell, tho J. L. has not vet confessed to the followship. We have reason to believe that the story that D. M. Steindler and J. A. Jacob are behind the Forst combination is all poppy-

wants to gobble Peterson Lake. Perhaps the Nova Scotia Mining Co. wants to absorb Peterson Lake. Peterson Lake shareholders will be well advised to hold to their own. The present board of directors are competent. There seems to be no reason for the engineered trouble.

SIR THOMAS DENIES.

Story That C.P.R. Will Pay a Ten Per Cent, D'vidend All Wrong.

LONDON, May 19.—It is believed here the C. P. R. board will either pay a higher dividend a few months hence or issue further capital on terms repre-senting a substantial bonus to exist-ing proprietors.

MONTREAL, May 19.-In an inter-

MONTREAL, May 19.—In an interview to-day, Sir Thomas Shaughnessy gave, an emphatic denial to the story that the C. P. R. was to pay a ten percent dividend.

When told regarding the story that English shareholders were determined on a ten percent. dividend, and to obtain this end were urging upon the directors the necessity of having a holding company take over all the land of the C. P. R. Sir Thomas laughed, and said it was news to him.

When asked if there was a possibility of an increase in the dividend as a result of the increase in the revenue from the land sales, Sir Thomas said
"Oh, that I cannot say. Such things
as increases in dividends are dealt with Toronto Stock Exchange Unlisted Se

BOARD CABLES CONDOLENCES School Trustees Adjourn Meeting Out of Respect to Royal Mourning.

With most of the members of the board of education assembled last-evening for the regular meeting, it was unanimously decided on motion of was unanimously decided on motion of Trustee Dr. Ogden, to adjourn all business until the next regular meeting, while the following resolution of condolence, submitted by Dr. Conboy, will be cabled immediately:

"That the members of the board of education of the City of Toronto design." sire to place on record their most sincere regret at the death of His Majesty King Edward VII., and to ex-

press their very high appreciation of his great ability and of his many adhis great ability and or his many admirable qualities as a man, a statesman and a king. His reign must ever remain a notable epoch in the history of the British Empire and of the world on account of his beneficent influence as a peacemaker, and his gracious yet forceful leadership of the nations in promoting the heat movecious yet forceful leadership of the hattions in promoting the best movements of progressive civilization.

"In common with their fellow-subjects thruout the empire they deeply mourn the loss of so great a monarch; but they have the fullest confidence that His Majesty King George V. will continue the good work of his father and maintain the pre-eminence of the British Empire among the nations of the world."

the world."

The only matter of business touched by the board was the authorizing of the former action of the property committee in the acceptance of the tenmittee in the acceptance of the ten-ders for the new Oakwood High School in order that the work may be pro-

SAVED BY THE TRIMMING Decorative Features of Lady's Head-gear Preserved Her Life,

GALT, May 19.—(Special.)—H. S. Howell, the well-known authority and author of a book on the flag, has and author of a book on the hag, has presented Trinity Church with a fine Union Jack eighteen feet long.

Mrs. James H. Cowan met with a serious accident. She was passing a ladder, up which a telephone lineman had been working, when the ladder, blown down by the wind, fell directly on the lady's head, inflicting a cut requiring six stitches. The doctor says that the generous trimming on the hat worn modified the blow and saved her life.

her life.

DOG CAUSES PERJURY CHARGE Case of Disputed Ownership.

Brown, colored, was found guilty of perjury by Judge Winchester, by having sworn in police court that he was not a dog owner. He had then been charged with keeping an unmuzzled canine. He had denied that the dog was with him on the date named, or that he had given food to any dog around his house for two weeks.

P. C. Barclay swore to seeing the dog following Brown, who had denied ownership, and witnesses to seeing it around Brown's house. Brown swore it belonged to his wife and children, not to him. not to him.

Frank Slattery, in summing up for the defence, said the prosecution was

a case of spleen on the part of Chief Inspector Archibald. Missionary Convention.

The annual spring missionary convention in the missionary tabernacle, 274 Bathurst-street, opens Sunday, when Rev. Peter Robinson (colored) of Pittsburg, will give addresses at 11 a.m. and 3 p.m., and Rev.
