MOTOR BOAT FITTINGS

The outfitting of a motor boat is a problem which annually confronts the owner. The question of a proper cover for the boat is settled by the R. L. Kenyon Co., who manufacture the Kenyon Auto Top, which forms a perfect protection from sun or rain, and can be folded back on the stern of the boat when desired.

The cushion problem is also settled by this firm, who make a cushion which will float the heaviest person for forty-eight hours. These cushions can be made to fit any boat or yacht and save the cost of procuring life preservers, as they are unequalled for this purpose.

These goods are sold in St. John by J. A. Pugsley & Co., Murray M. Jarvis of this city is a distributing agent for the Maritime Provinces.

IMPROVEMENTS AT WESTFIELD

Handsone Pavilion Will Be Built as Head Quarters for Westfield Outing Association

The project of building a pavilion at Westfield for members of the Westfield Outing Association is going forward very satisfactorily. Plans of the building have been prepared and it is expected that building operations will commence very soon so that the structure will be ready for use early in May.

The pavilion will be built in bungalow style with projecting roof and broad verandah, the sides being open from about three feet from the floor, up to the roof level and fitted with windows for the open portion. The site selected is just above Brundage's wharf on the bank of the river between Westfield and Woolstock, and will be as central as it is possible to make it.

It is expected that the pavilion will be the scene of many enjoyable functions during the summer season and it has been suggested that the R. E. Y. C. might utilize it for their annual service at the close of the cruise.

W. C. Rothwell, chairman of the building committee and a number of other members of the association expect to take up their residence in their suburban cottages about the middle of May.

LAST DAY FOR BAR SCREENS

New Liquor License Law Goes Into Effect Tomorrow and Screens Must Come Down

Tomorrow morning the amended liquor license law will go into effect, and the saloons which have heretofore been allowed to open for business at 6 o'clock, will have to close at 7 o'clock. In the evening instead of closing at 7 o'clock, they will have to shut up shop at 10 o'clock, and will not be permitted to re-open until 7 o'clock.

The new section relating to the removal of all screens, and obstructions to a clear view of the interior of the saloons, will also be operative tomorrow, and there is much conjecture as to how this feature of the law will work out, as there will doubtless be many changes tried in an effort to evade it.

Inspector J. B. Jones was kept busy today receiving calls from licensees, who wished to procure the documents necessary to carry on their trade. Up to noon the licenses had not been received from Fredericton, but it was expected they would arrive this afternoon.

The commissioners and Inspector Jones will likely meet later, Mr. Hanson, who comes from Fredericton to consult him regarding the interpretation of certain sections of the act.

NORTH END PYTHIANS IN THEIR NEW ROOMS

On Monday evening next St. John Lodge No. 30, Knights of Pythias, will meet in their new quarters in the new Temple of Honor building, Main street.

For the past few years the north end knights have been meeting in the Oddfellows' Hall, 66 Simonds street, but the rapid growth of the lodge has made it necessary for them to seek larger quarters and a five years lease of the T. H. hall was secured on Monday evening. The new quarters will be conferred on a number of candidates.

Real estate in the Parish of Simonds, 473 parcel, property \$2,500. The executors nominated in the will, the son William and the daughter Annie are executors in as executors. Mr. Edmund S. Ritchie, proctor.

THE EVERY DAY CLUB

Early last evening a number of the members of the Every Day Club were at work on the grounds preparing for the 100 yard track. Some runners were down for practice, and the season is fairly opened.

At the ball last evening, about fifty men were present, enjoying the games, or the reading of the music of the orchestra. Grouched around the piano were Messrs. Lee, Stokes, Walker and Robinson, and the music was excellent. It is expected that the club is to have a good orchestra.

Through the courtesy of the play directors committee of the Women's Council, the enlarged pictures of last year's play ground, children visiting the park as guests of Mayor Bullock, has been hung on the walls of the club. W. Covey has added a very striking enlarged photograph of last year's track team of eleven runners. Gradually the walls of the club are being adorned with a fine lot of pictures.

COMING TO ST. JOHN

John D. Long, the physical instructor of the Montreal Amateur Athletic Association, is going back to military life for recreation, says the Montreal Star. He leaves on Saturday for St. John, N. B., having been gazetted to a commission in the 8th Hussars. Mr. Long has been connected for eighteen years with the Imperial service, fourteen years of which he spent in the Army Gymnastic corps and the remainder in the artillery, the mounted infantry and the infantry. Mr. Long will not be back in Montreal for some time as this is the period of his vacation, but it is dollars to doughnuts that when he does go back he will have some new wrinkles for his system of training.

A very quiet wedding took place on the 29th instant, at Dover, New Hampshire. Rev. Roscoe Sanderson of the Methodist Episcopal Church, officiating, when Frances Teresa Thompson of Portland, Me., became the wife of Edward Conley, of St. John, N. B. The bride wore her hair going away from gray with pink hat and trimmings to match, and carried a bouquet of violets. There were no attendants. Mr. and Mrs. Conley will reside in St. John.

Packers of
Tiger Indo-Ceylon Teas

Dear Sirs,—Our choice at home of TIGER TEA is grade —at—c, per lb. Is it true that the thin dried, whitish buds in TIGER TEA give it that fine delicate flavor? We used to drink China Tea years ago, but prefer the TIGER TEA in 1 1/2 lb. packets, as it looks clearer, and because TIGER TEAS are prepared and packed by machinery instead of by the nasty, wasty hand-treatment as in China. The pretty blue and white label is enough to make one wish to taste a cup of TIGER TEA. The tiger paws on the label show how strong the TIGER TEA is.

I am very glad to send you this letter about TIGER TEA, and if you wish I will send you a sketch of a tiger which would perhaps be fiercer than the tiger on your label. The rich cherry color of TIGER TEA pleases everyone, and I hope that you will always keep the quality of it as good as it is now. I enclose the 12 cards required, and tell you truly this is my own handwriting.

Every Canadian should buy a 1 1/2 lb. packet of TIGER TEA, for, besides the good quality, we know that the work of blending, labelling, boxing, packing, etc., is all done by Canadians in St. John.

My age is ; my last school teacher was
 Hoping that this letter will win a TIGER TEA PRIZE.

I am, respectfully yours,
