RECENT DEATHS

Many will learn with regret of the cleath of. Miss. Gladys. Marguerite. Thorne, only child of W. A. Troop and Josephine Thorne, aged eighteen years. She had been ill only a few days, death being due to crysipilas. The keenest regist will be occasioned among her wide circle of friends, and the bereaved parents will find tender sympathy everywhere.

Samuel E. Hoyt, for many years an employe of the Canadian Government Railways at the Union Depot, died yesterday at his home, 88 Winter street after an illness of a few weeks, aged sixty-eight years. He leaves besides his wife one son, George W. of Sussex, one horther, John A. Hoyt of Worcester (Mass.), and one sister, Mrs. S. H. White of Sussex. He was a native of King's county, son of the late Isaac K. Hoyt, being of Loyalist stock. Service will be held at the home, Tuesday morning at 11.80 o'clock and the boddy will be taken on the noon suburban to Hampton where the funeral will be held will be taken on the noon suburban to Hampton where the funeral will be held to the burial ground at Lower Norton.

Ann Bryson, daughter of the late Hugh and Mary Bryson. She is survived by one brother, Daniel, of this city. The funeral will be held on Tuesday morning at 9.15 o'clock from her late residence to the cathedral for high mass of requiem.

The death occurred yesterday of Ida M. Armstrong, only daughter of Mr. and Mrs. William Armstrong, of 42 Millidge avenue. Death came after a long illness to the little girl, who was only nine years of agc. She is survived by her parents and three brothers.

The death occurred very suddenly last night of Michael Kelly at his residence, 34 St. Patrick street. Mr. Kelly was taken seriously ill Sunday morning and within a few hours passed away. He was a prominent citizen of St. John, being a well known carriage builder. He is survived by his wife and four sons—James R., in Portland (Ore.); John E., who is a wireless operator on board a transport plying between the British Isles and France; Charles M., who is at the front in France, and Frank, at home. He is also survived by three daughters—Agnes, Mary and Regina, all at home. The funeral will be held on Wednesday morning from his late residence at 8.45 morning from his late residence at 8.45 o'clock.

The sudden death of Mrs. Walter Stone took place in Woodstock yesterday. She leaves, besides her husband, a son, three weeks old. Only yesterday Mr. Stone received word that his brother had been wounded at the front. Another brother was killed a short time ago, also in the service of the Empire.

Mrs. Hugh A. Marquis of Campbel ton is dead, leaving her husband and six small children. She was 87 years old. Mrs. Marquis was formerly Miss Eva Kerr, eldest daughter of the late Andrew and Mrs. Kerr, and leaves many

The death of Mrs. James McNair, aged 69 years, occurred last week at her home in Port LaNim, Restigouche county. Besides her husband she is survived by four daughters, Mrs. Donald King, Mrs. Frank Tucker, Mrs. Cenett, Portland, Me.; Mrs. Allan Hicks, Dalhousie Junction; and five sons, Donald, Alexander, Robert Hilson, John A., William Maxwell, Washington Territory, and Archie of East Dover, Me.

The death of Archibald Henderson, aged eighty-four years, occurred last week at his home, Charlo. He is survived by four daughters. Mrs. Peter

At the close of the service in the Conaccepted. Rev. Dr. Gunn, of Toronto, general secretary, will visit the city and advise with the church as to future

The Waterloo Street Baptist church was one of the churches that adhered to the Sunday school dally day programme yesterday. Services were held in the morning, afternoon and evening.

W. Frank Hatheway, who was a member of the Dominion trade commission, has arrived home after a four months trip to Great Britain, France and Italy in the interests of trade between the Allies' countries and Canada. The commission visited all the large places mapped out on their trip and held conferences. It is believed the their work will hear immense fruit after the war.

F. H. S. Lowery, of Ottawa, federal veterinary inspector, arrived in the city on Saturday on an inspecting tour. In speaking of the great need of a modern abattoir here he said that in the matter of exporting beef from Canada the federal government calls for federal inspection and the first requisite to secure this inspection is a modern abattoir and inspection and examination by federal officials. St. John does not possess such a building.

T. W. Carroll, Eastern manager of the Western Union Telegraph Company, was in the city yesterday. The business of the company in this city has outgrown the facilities and extensive improvements will be made to the offices at the foot of King street. Mr. Carroll is on a tour of nspection of all the offices in the mariprovinces with a view to increasing accommodations to meet the growing

Don't Let Your Truss

Make Operation Necessary

mischief done by clastic and spring trusses.

Mighty few people ever have to be operated on when first ruptured.

But wearing makeshift trusses year after year is sooner or later almost sure to make work for the surgeon.

You know that from your ewn experience—you know you're worse now than a year ago—probably getting worse all the time.

If you keep on that way, how long will it be before you'll have to undergo a dangerous and expensive operation?

Aren't you willing to let us prove—by a sixty-day demonstration—how you can save yourself from all that?

Especially when you can make thic sixty-day test without having to risk a penny?

This book sums up all we have learned about rupture during forty years of expensive operation?

Shows just why elastic and spring trusses are the ruptured man's worst

60 Days' Trial To Prove How Good It Is

hat we are willing to sene it.

We'll make it especially for your case—
make it to your measure—and practically lend it to you just for a test.

If it doesn't keep your rupture from coming out or from bothering you in any way, then you can send it back and it won't cost you a single penny.

Don't Send Any Money

It snows only safe way to buy anything you can get on such a long trial because the only thing good enough to stand such a test.

Don't fail to get this book—don't put it off—the minute it takes you to write for it may free you from rupture troubles for the rest of your life.

know.

It shows how our guaranteed rupture holder is made on an absolutely new principle. How it instantly and automatically protects you against every strain so your rupture can't possibly be forced out. And how in addition it provides the only way over discovered for overcoming the weakness which is the real cause of rupture.

The book tells how our guaranteed rupture holder—the famous Cluthe—is see

Never Before Put in Print

This book sums up all we have learned about rupture during forty years of experience.

Shows just why elastic and spring trusses are the ruptured man's worst enemies.

Exposes the humbug "appliances," "methods," "plasters," etc.

Explains why operation is nearly always a needless gamble with death—and why, even if you manage to live through it, you may have to keep on wearing a truss.
