A STRAIGHT ISSUE HINTS TO PROHIBITIONISTS The friends of prohibition should bestir themselves and ask the provincial law is on the statute books, and it must be enforced to the hilt. Any encourage ment given to the dealers is a clear evi-Brunswick when the Southampton Rail- dence that the government party means way steal, the lumber graft, the Valley to leave a loop-hole for their advantage instead of renting a table in some down-Railway graft, and the grafting opera- or is deceiving them for political pur- town cafe." poses. Reputable temperance men cannot endorse either policy, and should devince had never mand a clear and unequivocal statement with it. of government intentions. It should not voice." any prohibitionist cares more for the present government than for the cause the men who were the colleagues of he professes to uphold. It may suit the Flemming, Pinder, Stewart and Sheridan, government to play fast and loose with Ruby Jackson promised to be his wife committed are the men who whitewashed Flemming, and who still welcome ed Flemming, and who still welcome him to their counsels. This cannot be denied. No attempt is made to deny it. With brazen effrontery the men who shared responsibility with Flemming and observes, the only opposition the measure met with in the legislature was from accordance on the other, but conscientious upholders of prohibition cannot approve of either. So far as the opposition party is concerned, its attitude is that the law is on the statute books and must be enforced; and, as the Chatham World observes, the only opposition the measure met with in the legislature was from accordance.

What do you want a wife for, when you can scarcely support yourself?" (why, sir, my daughter would starye. "Well, sir," replied Heffron, with great dignity, "if you are the kind of man to let your daughter and her husband starve, I don't want to enter the famdid all in their power to shield him are legislature was from government supnow asking a new lease of power. When porters. It is of course a matter of comcharged with guilt which they cannot deny, they try to create a diversion by was first under consideration by the assailing a government which was de- government, and nobody would be surfeated in 1908. It reveals the real Mr. Murray. severance of diplomatic relations by Will Premier Murray accept Mr. E. S. President Wilson has done more to shorten the war than all the peace notes Carter's challenge to discuss the gov ernment's record from the same plat-

There has been a feeling that if the forms in Kings county? United States entered the war it might place difficulties in the way of a settlement satisfactory to the Entente Allies, but the American people have learned that the only Germany the world can live with is a beaten and to some extent at least a dismembered Germany. So far as the British Empire is concerned it did not enter the war in the hope of territorial gain, but to vindicate a great a result the blood becomes impoverished. principle and to free the world from a menace that had become intolerable. The United States goes in, if she does declare war, for the same purpose; and there should not be any cause for serious disagreement as to the terms of settlement.

Meanwhile let Canadians head the those vital elements impoverisary and it loses its nourishing quantities. The face becomes pale and thin, and the lips bloodless. There is a weakness, tiredness and loss of weight.

When those suffering from thin or watery blood start taking Milburn's Heart and Nerve Pills they can see a change from the outset.

Every dose introduces into the blood those vital elements necessary to make

The Spanish steamer Ymer, only part of the pair operations at their respective to begin operations at their respective to begin operations at their respective and beauty damaged and one member of the crew wounded.

New York Times published ten days ago, on Jan. 22, many of the essential parts of the present germ on the surface.

The Swedish government has demand on the present germ of the crew landed.

The Spanish steamer Ymer, only part of the pair operations at their respective and beauty damaged and one operations at their respective and beauty damaged and one operations on the surface.

The Swedish government has demand on the present germ of the crew landed.

The Spanish steamer Ymer, only parts of the pair operations at t

delphia, and the White Star liner Baltic, and was derived from what they had learned in England before sailing; so it seems apparent that certain circles in England must have known of this German decision as early as Jan. 10, perhaps before.

In The Times article of Jan. 22 it was said that the German blockade would be-

said that the German blockade would begin operations on Feb. I, a fact which is in accordance with the announced intention of the German government. It was also stated that Germany would announce her intentions in a note to all neutrals as she has now done. It was never a see that the same done it was not to all the same as the has now done. and How They Were Cured

Further Proof That Dr. Chase's Ointment is a Positive Cure for Chronic Eczema

the width of the "barred zones" now announced in the German note.

The fact that the German plans seem to have been known in England three weeks ago throws an interesting light on the British proclamation of the enlarged area in the North Sea which ments.

If you read these letters you will find Bonavista Bay, Nfld., writes: "I suffered with eczema on my hands, and for eighteen months was so bad that I could not use a needle to sew or do anything. I could scarcely dress myself. Though on the British proclamation of the enlarged area in the North Sea which would be dangerous to shipping, made on Jan. 27. This announcement by the Admiralty was in effect the notification that the area of the North Sea fronting German territory would be the scene of important naval work.

The danger zone began about twenty miles east of Flamboroph Head, on the Yorkshire coast, and extended fan-wise to a point near the coast of Jutland on the Judge of the North Sea which as done for my wife. She has been to a point near the coast of Jutland on the North Sea which ments.

By actually curing itching, stinging carried the coals of salves from doctors, I could scarcely dress myself. Though had lots of salves from doctors, I could scarcely dress myself. Though had lots of salves from doctors, I could scarcely dress myself. Though had lots of salves from doctors, I could scarcely dress myself.
