THREE DAYS A WEEK.
Lawrence, Mass., Nov. 10.—Notices have been posted in the Everett Cotton Mills that the plant employing nearly 1,600 will close tonight for the balance of the week and will run for an indefinite period on a three-day basis. Business conditions are given as the reason, officials stating that the cotton cloth market is glutted. The announcement says that full time will be resumed "when there is a rift in the clouds."

CANDY GIRLS ENTERTAINED.

It was a merry party at the recreational centre of the Y. W. C. A. in King street last night when the employees of the Corona Candy Company were entertained by some of the staff and board members of the association. A varied and delightful programme was arranged and entered into with real pleasure. Gymnastic games, folk dancing, basketball, guessing games, fortune telling and other jolly events were included in the programme. So successful was the entertainment that it was decided that each Wednesday night a future should be an open night for the employees of the candy company to assemble at the recreational centre. The programme last night was arranged by Miss Phyllis Woods, girls' work secretary, and Miss C. Tapscott, general secretary, and Miss Littlefield, physical director, assisted. The refreshment conveners were Mrs. J. D. Hunter and Mrs. T. H. Somerville.

MEDICINES USED BY MONKS

It is claimed that Monks of ancient days knew of more than three hundred species of medicinal plants used in general for medicines by these religious orders. While centuries have passed, and all the advance made in medical science, many of our most successful remedies are today made from the roots and herbs of the field, like that good old-fashioned remedy, Lydia E. Pinkham's Vegetable Compound, which for more than forty years has been relieving women from some of the worst forms of female ills, and is now considered the standard remedy.

LOCAL RED CROSS WORK.

Mrs. Frank S. White, the newly elected president of the local Red Cross, presided for the first time at a meeting of the executive held yesterday in the Church of England Institute. Miss Alice K. Walker placed the resignation of Mrs. George K. McLeod, of the yarn department, before the members, but it was decided to ask Mrs. McLeod to continue in charge of the distribution of the yarn for knitting and to relieve her of the work of packing. Miss Stetson will continue in the packing department under a re-organization that will place this department in charge of all supplies. Miss Walker was asked to confer with Miss Ethel James, secretary of the Provincial Red Cross in regard to a joint meeting of the Red Cross branches to be addressed by Miss Ruddock. The work of the future and the part the local Red Cross would take in supporting the needs of the Victorian Nurses and other local appeals that properly belong to their work was arranged and arrangements set on foot for the establishment of a sewing committee.

CHALLENGE TO THE ESPERANTO

The Undaunted Wants a 200-Mile Deep Sea Race Next April.

New York, Nov. 11.—F. R. Mayer of New York, vice-commander of the Atlantic Yacht Club, and owner of the schooner yacht Undaunted, has challenged the owners of the Gloucester fishing schooner Esperanto, for a 200 mile deep sea contest in next April. The challenge, Mr. Mayer said, has been accepted in principle and he will go to Boston soon to make arrangements for the race.

A time allowance probably would be necessary on account of the difference in hull measurements and sail areas in the two boats. The Undaunted was formerly known as the Karga and under the ownership of Robert E. Todd of New York, won the Breton's Reef Cup in 1911. She is a three masted yacht schooner rig of 150 feet in length, thirty-three feet beam and seventeen feet draught, without auxiliary power. A cup has been offered by Mr. Mayer as a trophy.

REDUCTION IN PAY.

Sanbury, Penna., Nov. 10.—The Susquehanna Silk Mills Corporation today announced a fifteen per cent reduction in pay, through the discontinuance of a ten per cent bonus for regular attendance at work and a five per cent "dividend." About 3,500 workers are affected.

Don't Hawk, Blow, Sneeze, or Cough Use "Catarrhzone"

When germs attack the lining of the nose, make you sneeze and gag—when later on they infect the bronchial tubes—how can you follow them with a cough syrup?

You can't do it—that's all. Cough syrups go to the stomach—that's why they fail. But Catarrhzone goes everywhere—gets right after the germs—kills them—helps the soreness—cures the inflammation—makes Catarrh disappear. Not difficult for Catarrhzone to cure, because it contains the essence of pine balsams and other antiseptics that simply mean death to catarrh. Large size costs 85c and contains two months' treatment; smaller sizes 25c and 50c, at druggists and storekeepers.

MAIL BOXES IN THE HAMBURG STREET CARS.

Rotterdam, Nov. 11.—Street cars in Hamburg have all been equipped with mail boxes for posting letters. Telegrams, with stamps for payment affixed, may also be deposited in them. The experiment has been a great success, says a Dutch correspondent, and other German cities are expected to adopt the plan.

A DANGEROUS WARNING —BLEEDING GUMS

Are your gums tender? Do they bleed when brushed? If so—watch out for Pyorrhea.

This disease of the gums, which afflicts four out of five people over forty, not only destroys the teeth, but often weakens the body's vitality and causes many diseases.

You can keep Pyorrhea away. Visit your dentist often for tooth and gum inspection, and use Forhan's For the Gums.

Forhan's For the Gums prevents Pyorrhea—or checks its progress, if used in time and used consistently. Ordinary dentifrices cannot do this. Forhan's keeps the gums firm and healthy and the teeth white and clean.

Start using it today. If your gums have receded, use Forhan's according to directions, and consult a dentist immediately for special treatment.

35c and 60c tubes in Canada and U. S. If your druggist does not have it, send price to us direct and we will mail tube postpaid.

MEAT INJURIOUS TO THE KIDNEYS

Take a Tablespoonful of Salts If Back Hurts or Bladder Bothers—Meat Forms Uric Acid.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grape and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.

A Few Cutting Remarks

Most ready-for-service clothes are cut by machinery. 20th Century Brand clothes for men are cut by hand, garment by garment. The difference is the same as that between a dozen die-stamped silverware designs and the finely graven figuration on a piece of hand-wrought silverware.

So, too, with the Tailoring. Most clothes are machine made. 20th Century Brand Clothes are as much hand-tailored as most Custom clothes, and reveal in every line the patient processes of workmen stimulated by the call for quality.

See our particularly fine selection of Winter Overcoats. The values at each price are just what you like to see. \$25 to \$75.

Cause of Early Old Age

The celebrated Dr. Mitchenhoff, an authority on early old age, says that it is "caused by poisons generated in the intestine." When your stomach digests food properly it is absorbed without forming poisonous matter. Poisons bring on early old age and premature death. 15 to 30 drops of "Seigel's Syrup" after meals makes your digestion sound. 10

PASQUALE IS INDICTED FOR COUGHLIN MURDER

Grand Jury Returns Three Other True Bills Against the Baby's Kidnapper.
Norristown, Pa., Nov. 11.—August Pasquale, known as "Crunk," was indicted by the grand jury here on Monday on the charge of killing Blakely Coughlin, thirteen months' old son of Mr. and Mrs. George H. Coughlin of this city, on June 20. The grand jury also found true bills of indictment charging kidnapping, burglary and extortion, there being two counts on the extortion bill.

Pasquale appeared in court with a smile on his face. When told by Judge Swartz of his right to challenge the list of grand jurors, he answered that he had no challenge. Only three witnesses, Mr. Coughlin, Captain Georhart and another state policeman, were heard, and the jury was out less than an hour.

COURT ROOM WAS CROWDED TO THE DOORS.

While waiting in the prisoners' room Pasquale talked freely. He said he intended to plead guilty and "take my medicine" without delay.
In an alleged confession recently given out by Major Lynn G. Adams, head of the state police, Pasquale is said to have admitted having kidnapped and killed the child and later having extorted \$12,000 from his parents on the promise to return him alive.
