**CURLING.**  
The Ferguson Medal.  
At the St. Andrew's Curling Rink last evening the second game for the Ferguson Medal was played. The scores by rinks are as follows:—

**This Is The "MIRACLE MAN"**

HE DOESN'T KNOW HE WORKS WONDERS, for he is deaf, mute and almost blind. He lives in a country seaside village, but New York crooks found him out and exploited him—a mere child in their unlovely hands! The old man's very helplessness, his kindly smile, his patriarchal laying on of hands inspired Faith in the hundreds lured to his side by the scheming New Yorkers. Then the God that is in the worst of us began to speak. One by one the crooks' hearts melted; they, too, began to believe in their own "stool pigeon"—the Miracle Man. A flood of love and fealty to The Better Life followed—but see it.
