RECENT DEATHS

Mrs. Isaac Mutch.
The death of Mrs. Isaac Mutch occurred in her home in Lilliston at the age of forty-four. She was a daughter of the late Alex. Hare of Weynton. Besides her husband she leaves seven children and two brothers.

Mrs. Margaret Petrie.
The many friends of Mrs. Margaret Petrie will regret to hear of her death which occurred at her residence, 17 Hanover street, on Saturday, July 26. She was a widow of John Petrie, a car inspector, and a daughter of the late James and Rose Paton. She has been ill for only a short time and her death will come as a great shock to her numerous friends. She is survived by three sons and three daughters, by one brother, James Paton, of Boston, and one sister, Mrs. John Cohen of Philadelphia. The funeral will be held on Tuesday morning at 7.45 o'clock, old time, from her late residence, 17 Hanover street, to the Cathedral for Requiem and High Mass.

Joanna Howser.
A large circle of friends will regret to learn of the death of Joanna Howser, which occurred on Friday at the residence of her niece, Miss Katherine Sullivan, Petersville. She was a resident of this city for more than twenty-five years, and during that time was in the employ of Mrs. James Dever. She has numerous friends in this city who will deeply regret to hear of her death. The funeral was held on Sunday from her niece's residence.

Halifax, N. S., July 27.—W. H. Wetherby, broker, died here today. He was one of the oldest men in the banking and brokerage business in Halifax. Many years ago he was a member of the firm of J. C. MacKintosh & Company, subsequently establishing that of W. H. Wetherby & Company. Failing health caused his retirement from business two or three years ago.

London, July 26.—The death is announced of Sir Edward John Poynter, president of the Royal Academy.

FAREWELL OF REV. H. C. FRASER TO THE PEOPLE OF KNOX CHURCH

In Knox church last evening, Rev. H. C. Fraser preached his farewell sermon, which was followed with closest interest by a large congregation. He reviewed his ministry of the last two years and spoke of his regret at having to leave. Mr. Fraser is going west soon, his wife's health compelling them to live there.

Reviewing the work of the last two years, Mr. Fraser said that on the whole it had been very pleasant for him. He said in part:—

This congregation extends from East St. John to West and from Sheffield street to Mount Pleasant. There are 824 places to visit. We have families on 92 streets. There is a communion roll of 864 members.

In a year and ten months I have had 58 funerals, 27 marriages, and have baptised 47 children. Remembering that we have a graded S. S. of 216 members. We should easily see that we have a good deal of material to work with. Personally I feel just as if I had merely sorted out this material, and had scarcely got into the work of building. But it is sorted and the future is big with opportunity for the man who comes as your minister. Believe in yourselves and believe in God and you will accomplish great things. There have been 85 new members added to the roll but why quote statistics? This is not the right method of judging our work. We must go deeper and see other evidences of spiritual growth and improvement before we pass judgment. It is a matter in which we may greatly err either way. If we have done our best we can leave it to our Master's approval. If we have failed individually we have no right to judge one another. Never lose sight of the fact that a one-man church would be a trying situation for the best minister that was ever ordained in the Presbyterian church.
