

THE EVENING TIMES AND STAR, ST. JOHN, N. B., THURSDAY, SEPTEMBER 26, 1913

Schooner Successfully Launched

THE NEW SCHOONER ADA A. MCINTYRE

The waving of the Union Jack, by little Charles Daggett McIntyre, two and a half years of age, son of Mr. and Mrs. Allen A. McIntyre, and grandson of Mr. and Mrs. Peter McIntyre, was the signal for launching the last block which held the Ada A. McIntyre on the ways and the fine new vessel, at twelve minutes to six, last evening, slid gracefully into the Kennebecasis. The spectators some of whom had seen the old Moss Glen when she slid off the ways nearly thirty years ago declared it to be the neatest launching they had ever witnessed.

The schooner was taken in tow immediately after being launched by the sloop Krenton and after taking her to the wharf at Moss Glen to allow the large

number who went down with her to disembark she was towed to the public wharf, and later will be taken through the falls to Gregory's wharf where she will be fitted with her three masts eighty-five feet high and topmast of fifty feet, all of Oregon pine. She will also be fitted with a ten horse power gasoline engine for hoisting and a smaller pumping engine.

The Ada A. McIntyre will be commanded by Captain Thomas Anderson and has been chartered by George McKean to carry a cargo of lumber to South Africa. A Swedish firm, although never having seen the vessel, have made Messrs. McIntyre a substantial offer for her but her owners have not yet con-

sidered selling her. The vessel has exceptionally pretty lines and is one of the most modern types. She is a three master of 463 tons gross register, is 147 feet long, 33 feet wide and 12½ feet deep.

The large number of spectators who went up on the Hampton reached the city by 5.30 o'clock. There were also more than thirty motor boats on the scene and the country people for miles round gathered to witness the memorable scene under ideal weather conditions. The enterprising ladies of Moss Glen and Clifton served refreshments on the grounds for the benefit of the Red Cross. Photos of the vessel were also sold for the same purpose.

To Co-Ordinate Mission Work

Recommendation Adopted by United Baptist Association in Session at Marysville

Fredericton, Sept. 25.—The sessions of the N. B. United Baptist Association were continued today.

The morning session in the Olivett church opened with devotional exercises led by Rev. C. T. Clark which took the form of a series of prayers for the spiritual uplift of the community in which the association was meeting.

The moderator, R. B. Wallace, then took the chair. Rev. A. F. Brown led in prayer. Mr. Wallace then gave the annual moderator's address on the subject of "Reconstruction." He spoke of

the lack of spiritual interest generally, of the practices of doubtful repute that have been carried on under the protection of patriotism, of the demoralizing effects of war upon returned soldiers which would need to be counteracted after the war.

In relation to the Baptists of New Brunswick, the speaker said that matters denominational or educational should be more urgently brought before the churches that the democracy of our denomination be safe guarded. Again there was need of enlarging and expanding the scope of the home missionary endeavor.

He pleaded for greater energy and effort. "If we have the vision we shall go up and possess the land."

Rev. L. A. Fenwick was appointed assistant secretary. Rev. R. S. Gregg was appointed enrollment clerk. Rules of order were read, the usual committees were then chosen. Nominating committee, Rev. F. E. Bishop, Rev. S. S. Poole, Rev. R. J. Colpitts, Rev. R. S. Gregg, Rev. G. C. Warren, Rev. C. Clark, Rev. A. F. Brown, committee on resolutions and letters, Rev. R. J. Colpitts, Dr. D. Hutchinson, Rev. Milton Addison. All members of Baptist churches not delegates were invited to seats in the association.

The report of the executive was read by Rev. J. G. A. Belyea. The one point in the report that provided discussion was that of religious exercises in the public schools. It was spoken to by Rev. J. B. Daggett, Rev. Dr. Hutchinson, Rev. R. J. Colpitts, Rev. S. S. Poole, Rev. J. G. A. Belyea, Rev. T. R. McWilliam. The decided opinion of the body was that it was opposed to the idea of teaching of the Bible in the public schools. The matter was referred to the committee on resolutions. The treasurer being absent, his report was laid over till a further meeting. The session closed by prayers offered by Rev. S. J. Ainsworth, E. A. Kinty and C. P. Wilson. Fifty delegates were enrolled.

Wednesday Afternoon.

A good audience was present at the opening of the afternoon session. The devotional service was led by Rev. H. R. Boyer. "Wilt thou not revive us again that thy people may rejoice in thee?" was the text from which he delivered a short and inspiring Bible message.

Business was then resumed. On motion the meeting returned to the consideration of the report of the executive. The association made a motion sanctioning the action of the executive in the 12th Settlement meeting house. Rev. S. S. Poole then gave a partial report of the nominating committee, advisory committee, Group 1, L. A. Fenwick, F. E. Bishop, E. A. Triton, W. D. Keith, J. F. Sanborn, G. C. Warren, E. B. Barras, A. F. Brown, R. B. Wallace, H. T. Brewer, R. J. Colpitts, A. S. Bishop, I. E. Vanwart, A. Wilson, B. H. Chipman, H. W. Cann, E. H. Cochrane, W. Camp, W. H. Duffy, Percy Grandall.

The report of the treasurer was given by Rev. J. H. Jenner. The report was received and laid upon the table. Rev. J. E. Wilson then presented the report from the home mission board regarding home missions and the convention.

The resolution was as follows: "Resolved, That in the opinion of this board that the time has come when the work of the New Brunswick home mission board should be co-ordinated with that of the convention and that this board recommend to the association that this be carried out as soon as possible."

Mr. Wilson explained that the resolution called for the co-ordinating of the home missionary work of the maritime provinces under the direction of the maritime convention.

Rev. J. G. A. Belyea stated that it would be little use to recall the story of the time when the boards were separated but that the time was ripe for the adoption of the resolution. Rev. J. B. Daggett doubted whether the adoption of such a resolution would be wise as it would mean the death of the association and the centering of all the work under the maritime convention which was now too large and unwieldy to do effective work. Others who spoke regarding the resolution were Revs. Milton Addison, Dr. Hutchinson, G. B. MacDonald, R. J. Colpitts, H. R. Boyer, R. L. Phillips. The motion to adopt the resolution was passed.

A committee composed of five was appointed to draw up a basis of co-operation between the boards.

The report on obituaries was then presented by Rev. David Paterson. The association regretted to report the decease during the year of Rev. Robert Watch, Rev. Henry Hoyle, Mrs. W. D. Manzer, Mrs. Ad. Sledge, Mrs. Elizabeth Currie, Mrs. Lillian Trimble, Mrs. C. S. Young, Mrs. Jane MacLeod, Deacons H. J. Noble, George P. Watson, Jacob Crocker, J. W. Stevens, A. N. MacLeod, John McFarlane, L. L. Sharpe, D. A. Jonah, A. Merseman, J. H. Brundage, A.

Cramps and Pains In The Stomach QUICKLY CURED BY DR. FOWLER'S EXTRACT OF WILD STRAWBERRY

Mrs. J. Fawcett, Hopewell Hill, N.B., writes: "I am writing you of my experience with Dr. Fowler's Extract of Wild Strawberry."

Last summer I was taken so very sick with cramps and pains across my stomach that I sent for the doctor. He said I had summer complaint and gave me some medicine, but it did me very little good. As I was reading your B.B.B. Almanac, I saw Dr. Fowler's Extract of Wild Strawberry advertised, so I asked my sister to go to the store and get me a bottle, and before I had taken all of it I was a well woman, and have not had the slightest return of the trouble since. I cannot say enough for your valuable medicine, and always keep a bottle in the house."

You run absolutely no risk when you buy Dr. Fowler's Extract of Wild Strawberry, as it has been a standard remedy on the market for the past 75 years. Ask for "Dr. Fowler's" and insist on getting it, as the cheap imitations are dangerous to your health. Price 50c. Put up by The T. Milburn Co., Limited, Toronto, Ont.

Stevens, A. M. Saunders, Henry Estabrooks, S. S. Taylor, W. Cooper, M. Bleakney, Daniel Parnington, J. E. Vincent, also W. D. Manzer, of Bolivia, and Dr. Thomas Trotter, men who have been initiated in our work. Lieutenant-Governor G. W. Ganong who has been called from his influential position in our province was a valued man in our denomination. Rev. F. H. Wentworth offered prayer.

Feeling reference was made by Rev. J. B. Ganong to Rev. J. S. McFadden now ill at River Glade Sanatorium. The session closed with prayer by Rev. David Paterson. Rev. M. L. Orchard, missionary from India on furlough, arrived in the convention this afternoon. Tomorrow's sessions will be held in the Main street church.

INCREASES REFUSED

New Glasgow, N. S., Sept. 25.—C. A. Magrath, fuel controller, who accompanied by C. W. Bolton, of the cost of living department, arrived last night to undertake a settlement of the coal strike in the Pictou county collieries, met with the operatives and the officials of the coal company today, and had several conferences. Finally the fuel controller offered the operatives an advance of twenty cents per hour, the same scale of wage as was accepted by the Dominion Coal Company's operatives in Cape Breton. He also proposed that the miners agree to the appointing of a board of conciliation who would settle remaining differences, one representative to be from the men, one from the companies and the chairman to be named by the Trades and Labor Council.

To all this, the advance in wage and the appointment of a conciliation board, the company representatives agreed, but the operatives turned down both overtures, thus leaving the situation where it has been since the beginning.

BRAZIL SEVERS RELATIONS

Washington, Sept. 25.—A state of war now exists between Brazil and Austria, though so far there has been no formal declaration of the fact. By instructions from his government, the Brazilian minister at Vienna has closed his legation and demand for Brazil, and it is understood that the Austrian minister at Rio de Janeiro is returning to his country soon.

Wonderful Bilious Remedy Actually Prevents Attacks

There are two great causes of biliousness—they are constipation and defective liver action.

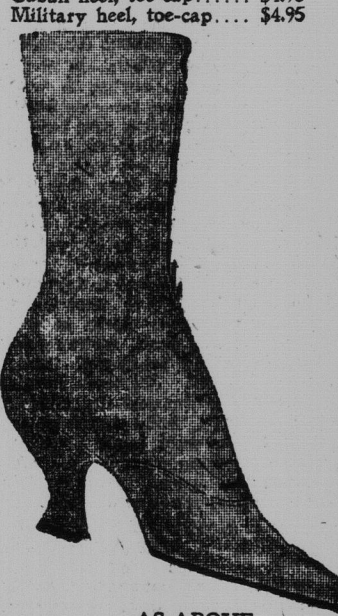

When Dr. Hamilton's Pills are taken, they not only correct constipated bowels, but act upon the liver as well.

Quite unlike ordinary medicines which purge and give temporary relief, Dr. Hamilton's Pills remove the conditions which cause biliousness, and thus permanent cures are effected. No person who occasionally uses Dr. Hamilton's Pills will ever suffer from the headache, indigestion or bilious complaint. Get a 25c. box today.
