

DALY DAY IN BOSTON; GOLD WATCH FOR FORMER ST. JOHN BALL PLAYER

Many "fans" in baseball circles, and scores of other friends throughout the city will be interested in the celebration of Daly Day, in Boston, on Saturday, in honor of a former North End boy, Tommy Daly—the White Sox player whose work was cheered by King George in London. It was a great day for Daly's friends in Boston and they turned out at Fenway park in large numbers. About the grounds and in the streets of Boston, boys and men sold buttons and banners with the picture of the former St. John lad thereon, and the inscription "Daly Day, May 26, 1914," and in the park the majority of the fans waved "Daly banners."

Barry, of Cambridge, Rev. Father Doody, spiritual director of St. Mary's Athletic Club, of which Daly was a member, his mother, Mrs. T. Daly, his sister, Miss Mary, both formerly of St. John, Miss Grace Mahoney of North End, his uncle, James B. Daly, of the local customs office, Miss Barry, of Cambridge, and Francis Donovan, chairman of the committee of arrangements for the day. Daly played well during the game and was enthusiastically cheered. He was naturally somewhat nervous at the reception given to him, for because of his being hardly out of his teens, he is not as hardened to such ovations as a veteran would be, and a slight accident which happened to his sister, Miss Mary, during the game increased his nervousness. She was struck by a foul ball and had her hand painfully bruised. Daly lived up to his reputation as a clever ballplayer and had two hits besides showing up well in field work. His friends in St. John will be pleased at the testimonials of esteem attested by his admirers in the states and will wish him further honors.

Mr. Mokarzel delivered a speech to his countrymen who gathered from the two societies, Syrian Protection Association and St. Raymond's Society.

TO ENCOURAGE SHEEP RAISING

Ottawa Officials Visiting Maritime Provinces to Stimulate This Industry

The dominion government is now carrying out a plan for the improvement of conditions in regard to the raising of sheep and the production of wool in the maritime provinces and in this connection has sent a wool expert, F. M. Jennings, of the department of agriculture to this section of the country to make an examination of the industry and to instruct sheep breeders and wool raisers in the grading and marketing of wool with a view to increasing the production and obtaining better value for their stock.

Mr. Jennings is now in Moncton and was in conversation with a Times representative yesterday afternoon. Although he has not yet commenced his tour of the provinces on the mission on which he was sent from Ottawa, he said that from what he had seen of the country through which he passed he was quite confident that New Brunswick was excellently adapted for wool production on a large scale.

Having spent practically his whole lifetime in the production and manufacture of wool, Mr. Jennings is in a position to judge the value of the industry in this province. His work is confined wholly to the wool, the matter of improvement of the live stock looking after by another representative of the department of agriculture, who is associated with him on his tour.

Besides New Brunswick, Mr. Jennings' trip will cover Nova Scotia, Prince Edward Island and the eastern section of Quebec. His idea is to encourage breeders in the sheep raising industry, to assist them in instituting it and to show them the most remunerative way to grade and market their product.

The Times representative, P. E. L., correspondent writes:

"There will be a good supply of wool right in this province. The sheep industry, which has been almost entirely abandoned, now promises to come up again. One factor tending to assist it is the organization of the Sheep Breeders' Association, the objects of which are to enlarge the breeding and improving of sheep by the co-operation with the department of agriculture and the Exhibition Association. The use of pure bred rams is being encouraged, and the government is assisting the association to provide against loss from sheep killed by dogs. The government will pay annually, an amount equal to the membership fee. When a claim has been made on the association for loss so incurred, the association will investigate the claim, and if found to be valid will pay 75 per cent. of the value of the sheep killed. The government also will recoup the association and the amount of 75 per cent. of the loss."

FAIRVILLE NEWS

Presentation in the Methodist Church—Firemen Commended

On Sunday special patriotic services were held in the Fairville Methodist church appropriate to Victoria Day. A large Union Jack was draped over the pulpit and a picture of Queen Victoria was prominently placed. A picture of King George also was in position. Rev. R. J. Haughton of the Congregational church in St. John, preached on "The Empire of Love" making special mention of Queen Victoria's special attributes as wife and mother.

The evening service was conducted by Rev. Gilbert Earle who spoke on "Christian Patriotism." The choir rendered special music and in the evening "O Canada" was sung in place of the regular anthem.

During the evening service Mr. Earle accepted on behalf of the congregation a fine set of pulpit chairs, which were used for the first time Sunday. This is a gift from the "Climbers' Class" of eighteen young men in the Sunday School who raised the necessary funds themselves. The chairs are of heavy oak, upholstered in dark red plush and the young men feel justly proud of the handsome present for which the minister thanked the class and expressed appreciation.

Robert Crawford, who was injured on Sunday evening when returning from Musquash when his horse became frightened at a car and threw him from the wagon, is said to be considerably easier today and his injuries are not so serious as were at first expected.

The holiday was quietly spent in Fairville and vicinity, many went fishing as usual. In spite of the rather cold high wind in the afternoon organized picnic parties also went out. A number of homes were decorated with flags more or less and in the evening fireworks were set off. Altogether the celebration was generally enjoyed without disaster.

The prompt, efficient and hearty response of the Fairville firemen to the appeal of residents threatened by forest fire on Sunday night is being freely commented upon. This is only a volunteer corps but their courage, enterprise and their willingness upon occasion to aid sufferers beyond the local fire district shows them to possess the true fire fighter's spirit.

TOOK MONEY FROM LITTLE BANK WHERE CHILD HAD FEW CENTS

That is Tale About James Moore Told in Police Court Today

James Moore was arrested on a warrant charging him with assaulting his wife Mrs. Moore, a care-worn woman, took the stand and said that her husband came home drunk on Friday night and brought another drunken man in with him; that the next morning he went to a little bank where one of the children had saved a few cents, and when she tried to stop him, he struck here in the face twice. She says he took the bank and broke it open and went out with the contents. Mrs. Moore said she had nine children, the youngest of whom is five months, and that she worked in a baker shop to earn bread for her children. Her husband, she said, worked occasionally.

The magistrate said he remembered when the woman came to him seven years ago asking him what she could do with her husband who was just as bad then as now. Moore was remanded.

No Matter from what Viewpoint a Man may look at it, There's a Very Decided Advantage in Buying Clothes at Oak Hall

If it's a Question of Price—no store in the city can give you as much for your money. In buying at Oak Hall you buy directly of the makers and you save the middleman's profit. You get the same or a better merchandise for one-third to one-fourth less than other stores charge.

If it's a Question of Quality—you will get better fabrics, better tailoring, better linings and better trimmings in Oak Hall clothes than you can get in clothes of any other make.

If It's a Question of Style—Oak Hall clothes are absolutely correct—no clothes can be more.

If It's a Question of Variety—you'll find more new styles, more new fabrics, more new patterns, and more new color effects to choose from at Oak Hall than at any other store in Saint John.

We could go on and write columns about the superiority of Oak Hall clothes, but a personal examination of the clothes themselves will offer a much more convincing argument in their favor than anything we could say about them. See them, take hold of them, try them on, look them over carefully, inside and out, and you'll realize that you can't possibly get the most for your money unless you buy your clothes at Oak Hall.
