ever such hopeless conspiracies.

Our Canadian Correspondence. LVISIT TO KINDSTON

Dear Stabillard. In my last I gave a hasty sketch of the Pro-The China left Liverpool at 3 o'clock on which a cafternoon of the 30th ult., and Queensown I cannot devote greater space to such worthy inon the 9th. She has 49 Halifax and 139 structions as it and the Criminal Lunatic Asylum.

Countess acclare, mother of Lady Wode-house, is dead.

It is stated that an effort is about to be made by committee of Confederate bondholders to induce Stock Exchange Committee to admit them to privilege of quotation in official lists. Barings Circular reports considerable transactions in Southern States stocks, but gives no quotations.

The Countess de Paris had given birth to a daughter at Twickenham, near London.

Large number ex-royal family of France present upon occasion.

Alterman Philds, who is of Hebrew faith has been numanimously elected bord Mayor of London.

Alterman Philds, who is of Hebrew faith has been numanimously elected bord Mayor of London.

Will of Cobden executed day before his death sworn under £8,000 sterling personal ty.

ty.

A writer in the Times asserts that gold fields of Nova Scotia of property worked would equal those of Australia.

France.—Bank of returns for the week show a decrease in cash of seven and a quarter millions france s.

Reported Empress. Frances.—Reported Empress.

J. A. Beckwith.

For Nova Scotia, Hon. L. H. Shannon.

P. E. Island, Hon. E. Whelan:

All off these except Col. Boyd, who was trictly non-committal, were warmly in favor for confidential.

OUR RETURN TO MONTREAL

The design was to write down nobility, and the library of the Canadian In a statistic energy and landowners, and assassinate them all on breaking out of the Revolution.

The Duke of Leinster and others were specially named.

The Duke of Leinster and others would be called on for support under threats of externination and confiscation of property.

The evidence of treason is said to be most. The evidence of treason is said to be most. Wheat advancing 4d, a 2d. Flore fel. a 18. Cooper's Science and the evening by the work of the canadian In that outfill two properties.

The design was to write down nobility, the library, and the library of the Canadian In that outfill two ings and that some of the enterprising men from the States when they are made ford, assisted by the Hon, and Rev. D. H. Gordon, Canon of Salisbury, the Hox. A. H. descend the Lachine Rapids, tickets for which, as well as for a concert in the evening by the Wheat advancing 4d. a 2d. Flour 6d. a 1s. Provisions steady unchanged. Consols 89 1 days and a half of our stay, were issued to us. A small party from Montre d. added to our days and a half of our stay, were issued to us.
