

- (7) (a) Any Contracting Party may declare that, in connection with each international registration in which it is mentioned under Article 3*ter*, and in connection with the renewal of any such international registration, it wants to receive, instead of a share in the revenue produced by the supplementary and complementary fees, a fee (hereinafter referred to as “the individual fee”) whose amount shall be indicated in the declaration, and can be changed in further declarations, but may not be higher than the equivalent of the amount which the said Contracting Party’s Office would be entitled to receive from an applicant for a ten-year registration, or from the holder of a registration for a ten-year renewal of that registration, of the mark in the register of the said Office, the said amount being diminished by the savings resulting from the international procedure. Where such an individual fee is payable,
- (i) no supplementary fees referred to in paragraph (2)(ii) shall be payable if only Contracting Parties which have made a declaration under this subparagraph are mentioned under Article 3*ter*, and
  - (ii) no complementary fee referred to in paragraph (2)(iii) shall be payable in respect of any Contracting Party which has made a declaration under this subparagraph.
- (b) Any declaration under subparagraph (a) may be made in the instruments referred to in Article 14(2), and the effective date of the declaration shall be the same as the date of entry into force of this Protocol with respect to the State or intergovernmental organization having made the declaration. Any such declaration may also be made later, in which case the declaration shall have effect three months after its receipt by the Director General, or at any later date indicated in the declaration, in respect of any international registration whose date is the same as or is later than the effective date of the declaration.
