Cutheroes, near Stroud, Gloucestershire, March 20, 1850.

SIR,—Having been troubled with Asthma for several years, I could find no relief from any medicine whatever, until I was induced about two years ago to try a box of your valuable Lozenges, and found such relief from them that I am determined for the future never to be without a box of them in the house; and will do all in my power to recommend them to my friends.

If you consider the above Testimonial of any advantage, you are quite at liberty to make what use of it you please. I am, Sir,
