

MISS WILSON'S FIANCE AT SUMMER WHITE HOUSE

LEFT TO RIGHT, MISS ELEANOR WILSON, MR. FRANCIS B. SAYRE AND MISS JESSIE WOODROW WILSON

There was a visitor at the summer White House at Windsor, Vt., in the person of Mr. Francis B. Sayre, the fiance of Miss Jessie Woodrow Wilson. Mr. Sayre was met at the station by Miss Eleanor and Miss Jessie Wilson. When they arrived at the summer capital Miss Jessie Wilson and her fiance, disdained the half dozen automobiles at their disposal, strolled about the estate, and finally went for a rambling drive in a little umbrella covered cart, drawn by a bay horse. Country folk discovered them in various sections of the winding tree covered roads, utterly oblivious to the rest of the world.

SENATE TO DEBATE TARIFF NEXT WEEK

First Gun in Debate Will be Fired on Monday by Senator McCumber From North Dakota.

Washington, July 11.—Discussion of the Underwood-Simons tariff revision bill, with its lengthy free list, greatly reduced rates on all commodities and its new system of ad valorem instead of specific rates will actually begin in the Senate next Wednesday at noon. On Monday, however, the opening assault on the Democratic measure will be made by Senator McCumber, of North Dakota, who will speak on the tariff schedule.

Chairman Simmons speaking for the Democrats at the finance committee today, said he thought the bill could be concluded in five weeks, and Senator Smoot, of the minority, agreed with him, declaring that the Republicans had no intention of purposely prolonging the debate.

"MOVIE" CASE IS SENT OVER TO OCT. 1ST

Dissolution Suit Against Moving Picture Trust Adjourned Until the Autumn to Hear Witnesses for Defence.

New York, July 11.—The government rested its case today in the dissolution suit against the so-called moving picture trust, and the hearings were adjourned until Oct. 1, when the defence will present its case. More than one hundred witnesses have been examined by the prosecution.

The Eastman Kodak Company of Rochester, N. Y., recently sued the government as a trust, was brought into the case today by the testimony of Herbert Miles, an independent manufacturer whose license was cancelled by the Motion Picture Patents Company. He said that in 1910 he had been notified by the Eastman people that they had agreed to manufacture only "licensed" films, controlled by the alleged trust, and that they would be unable to do any work for him because his license had been cancelled.

MISUSE OF AID FUNDS IS CHARGED

Money Subscribed for Relief of Strikers and Families in Lawrence was Not Devoted to That Purpose.

Boston, July 11.—Misuse by Industrial Workers of the World of funds contributed for the relief of strikers and their families during the great textile struggle at Lawrence is alleged by William Trautman of Chicago in an affidavit filed with the Supreme Court in his own defense today.

Industrial Workers of the World, newspapers, men who needed bail money, and a newspaper man are among those alleged to have been benefited. Trautman, Joseph Bedard and Joseph Shafan composed the strikers relief committee, and are accused by the attorney general of having used \$10,000 of the fund for purposes other than for which it was intended.

In this affidavit Trautman says that he never handled the funds and that many payments were made without the consent or knowledge of the committee and for which none of the Industrial Workers of the World, newspapers, men who needed bail money, and a newspaper man are among those alleged to have been benefited.

Trautman, Joseph Bedard and Joseph Shafan composed the strikers relief committee, and are accused by the attorney general of having used \$10,000 of the fund for purposes other than for which it was intended.

CLERK STOLE JEWELRY AND FRAMED TALE

"Hold Up" of Office Attendant in New York's Maiden Lane was Faked.

WOUND ON HEAD SELF-INFLICTED

Giant Accomplice Landed by Decoy Telegram—Love of Flashy Clothes Proved Undoing of Louis Freeman.

New York, July 10.—Breaking down under a rapid fire of questions in the office of George H. Dougherty, Deputy Police Commissioner, in Police Headquarters, after having withstood a scathing cross-examination for several hours, Louis W. Freeman, a clerk who was found bound and gagged in the office of Louis Stern and Co., jewelers, No. 15 Maiden lane, on Monday, told the police that he had engineered the crime.

Details of his confession developed the fact that the wound behind his ear, which he had said had been inflicted with a blackjack wielded by the robber, was self-inflicted. At eleven o'clock Tuesday night August Sechs, nineteen years old, of No. 163 East 107th street, was arrested as Freeman's accomplice at Ninety-eighth street and Madison avenue.

Freeman, who is nineteen years old and lives at No. 71 East 104th street, was well dressed when he appeared before Commissioner Dougherty for examination.

Evidence of Lavishness. Freeman's attire proved his undoing. His suit, he hesitatingly admitted, was purchased last month and cost \$26. Inquiry disclosed further lavishness, and Freeman's self assurance gradually disappeared after an account of the happenings immediately prior to and succeeding the alleged assault and robbery.

The police said that Freeman was innocent of any complicity with the robber, and he was led to believe that they regarded him as innocent when they asked for further details. He tried to bluff his way through his original story when flaws were pointed out, and finally broke down and cried.

"I took \$91 last month," he is quoted as saying, "and a big fellow up around Five Ave. asked me why I didn't get more. He put me up to the stick-up game."

Freeman then told how he and Sachs had arranged to take gold and silver mesh bags and other articles worth \$2,500.

In an effort to clear himself he had taken a blank order card bearing the firm's stamp. Sachs presented this at the premises of the International Hat and Cap Co., 9 Maiden lane, and received a silver mesh bag.

It was used as the noon and evening gun, 1822-1905.

The Nova Scotia Historical Society. So reads the memorial tablet, which was unveiled by the distinguished general, Sir Ian Hamilton this afternoon, on one of the cannon used on H. M. S. Shannon in the Provincial Building grounds before an exceptionally large crowd of interested spectators.

Archdeacon Armitage, the president of the society, made reference to the fact that Halifax was happy to have on that occasion such a distinguished visitor whose name was renowned all the world over. The Nova Scotia Historical Society were pleased that the tablet immortalizing such an event as the fight between the Chesapeake and the Shannon was to be unveiled by such a distinguished soldier.

"Brave Broke he waved his sword crying now my lads aboard, and we'll stop them playing Yankee doodle-daddy oh."

In ringing tones the gallant general opened his speech prior to unveiling the tablet with the above quotation. Those standing by greeted the quotation with applause. Preceding Sir Ian told the story of that memorable fight in Chesapeake Bay which took place just one hundred years ago.

Accompanying General Sir Ian Hamilton were: Colonel Sam Hughes, Colonel Rutherford and staff and officers of the garrison and many prominent men of the city.
