Work in a Week Unless They Get Bonus of \$6
---Canadian Press Declares Contract Broken
and That Action of Operators Is Strike Threat.

Ottawa, Sept. 25.—Ninety per cent.
of the operating staff in both the west-
ern and eastern divisions of the Cana-
dian Press, Limited, have tendered
their resignations to the management
to take effect in a week unless every
operator is at once granted a war
bonus of \$6 per week.
The resignations were written out
individually but tendered collectively.
Those in the eastern division embrac-
ing Ontario and Quebec and the Mar-
time provinces were forwarded by
Operator Thompson, of Toronto, ac-
companied by a letter which intimates
quite plainly that he has been request-
ed to send in the resignations, and this
action on the part of the men is pre-
meditated and collective, that they are
pledged to support one another in the
event of an attempt on the part of
the management to discriminate, that
they will only return to work after
their resignations have become effec-
tive when the six dollars per week
war bonus is granted and every man
is retained in the service in the same
position he occupied at the time of
resigning.

Had An Agreement.
Voluntary evidence that this threat-
ened strike on the part of the opera-
ting staff is in flagrant violation of a
solemn agreement with the Commer-
cial Telegraphers' Union of America
is furnished in the following passage
from the letter to the chief operator:
"Permit me to add that in taking
this step we have nothing personal at
issue, but recognizing the fact that
the biggest and strongest labor orga-
nizations have abrogated their con-
tracts, and as every other feasible
means to secure this needed increase
has been tried only to meet with fail-
ure, we feel that our only alternative
is as outlined."

A little over a year ago a contract
was signed with the Commercial Tele-
graphers' Union whereby the mini-
mum wages and the working condi-
tions of the press telegraphers were
definitely agreed upon for two years.

Two Year Contract.
This contract, which still has one
year to run, was made by the gen-
eral manager of The Canadian Press
and the duly accredited representa-
tives of the men after negotiations

lasting two months, and was formally
endorsed by S. J. Konekamp, of Chi-
cago, the international president of
the Telegraphers' Union. This agree-
ment and contract has been religiously
observed by The Canadian Press
management. All its irritating clauses
have been scrupulously observed,
no matter what the cost or inconven-
ience.

The wages agreed upon at the time
were higher than the scale paid by the
United Press, the only other compet-
ing press organization in Canada at
the time, and much in excess of the
highest commercial rate.

The wages in Ontario and Quebec
run from \$30 per week to \$33.50, ac-
cording to the class of work being
done, with a great deal of overtime
for most of the operators, which
raises the average weekly earnings
materially.

In the west the lowest wage is \$32
per week.

Competitor Pays Less.

Nearly four months after this con-
tract was signed, the press tele-
graphers made a new contract with
the United Press, in which the mini-
mum salary is \$30 per week, \$30.50 in
large centres, and \$32 per week in
bureau offices. The latter contract
is for a lower wage, made under war
conditions four months after The
Canadian Press contract was signed.
The increase demanded by the op-
erators, if granted, would make the
scale of wages for Canadian Press
men greatly in excess of that paid by
any press organization in the world.

The management has always been
disposed to treat individual cases on
their merits, and in a number of
cases wages greatly in excess of the
scale are being paid, but cannot au-
thorize universal increases which
raise the minimum in the contract.

A wire has been sent to President
Konekamp, asking that the Commer-
cial Telegraphers' Union assure The
Canadian Press the protection provid-
ed in the agreement.

PERFECTING PLANS FOR VICTORY LOAN

Bond and Stock Exchange
Houses Will Again Assist
the Government.

Ottawa, Sept. 25.—The minister of
finance states that the plan adopted
for the campaign for the coming vic-
tory loan has been discussed exhaust-
ively by representatives of the vic-
tory loan organization from all parts
of Canada and settled upon as being
the most efficient and economical method
of handling the loan.

Following the course adopted last
year, the minister of finance has prac-
tically commandeered for the purposes
of the loan the services of the bond
and stock exchange houses of Canada.
Such recognized bond dealers and
stock brokers as may be employed on
the loan under authority of the Do-
minion executive committee will be
reimbursed on the basis of their op-
erating expenses for the time and to the
extent that they are actually engaged
in the work. The amounts of such
payments will be wholly in the discre-
tion of the minister of finance, whose
decision in each case will be final and
conclusive.
