To the girl who lent me her Physics notes from the 15th: If you want them back, you can find me in the same place I was sitting the last time. Since they didn't contain anything extremely important, I'll hold on to them until the end of the week if you want 'em back, if not, I'll just chuck 'em.

Signed - The girl who borrows your notes.

To Vincent,
Just a little note to say you're a pretty cool guy "MUN!" and I'll miss ya up in the pool room at the Social Club. Guess I'll have to find someone else to help me kick butt. Have a safe trip back home to the Caribbean, and best of luck in the future.

Your pool buddy,
"S'plain it to me, MUN,"
