SIR JAMES GRANT, M.D., EXPRESSES A MOST FAVORABLE OPINION OF TAKA-DIASTASE.—In a recent letter Sir James Grant, of Ottawa, Canada, late physician to H. R. H. Princess Louise, reports his experience with Taka-Diastase in the following language: "I consider

Taka-Diastase a powerful solvent of material which has undergone only partial digestion as a result of defective gastric action. The intense hurry of everyday life is such at the present time that the gastric functions are more than commonly subjected to abnormal influences. Under such circumstances I have closely observed the action of Taka-Diastase and the remarkable manner in which it aids digestion without taxing the system in the slightest degree. I have recommended it in Canada and England with great pleasure and satisfaction, and I predict for it a wide use, owing to the fact that it serves as a remedial agent not previously at the command of the medical profession."

A HAPPY THOUGHT.—Messrs. John Carle & Sons, New York City. Dear Sirs,—I have recently used the Imperial Granum with very gratifying results, being called in consul-
