### RECREATION

Seven residents from the Cooksville area attended a meeting held at T. L. Kennedy Secondary School, June 29 by the Mississauga Parks and Recreation Department in the hope of establishing a recreation association in Cooksville.

Deputy Commissioner E. M. Halliday was on hand to explain to those present the various recreational facilities available in the area and what the Parks and Recreation Department does and can do for the community. Because of the rather small turnout, it was decided by those present to organize another meeting in the fall in the hope that more interested parties would attend.

### CINDERELLA

A treat for youngsters and adults alike will be the production "Cinderella" performed by the Children's Studio Theatre from Toronto at Floradale Park on Thursday, July 23 beginning at 2:00 p.m. The Children's Studio Theatre is noted for its excellent entertainment designed for the younger set and this would be an ideal way to spend an afternoon.

### AT HURON PARK

Although nothing official was planned at Huron Park for the Dominion Day holiday, many turned out to enjoy the indoor public swimming pool and picnic. There was evidence in great number throughout the park. In the evening the lacrosse game in the arena drew a large crowd as well.

### ENGLISH VISITOR

Mr. and Mrs. P. D. Rogers of 3525 Pinesmoor Crescent, Mississauga, recently welcomed the latter's mother, Mrs. R. Short, who is visiting her daughter and son-in-law from Gillingham, County of Kent, England. Mrs. Short will stay until the middle of August at which time she will return to England.

Mr. and Mrs. Rogers have just returned from the Confectionery Association of Canada's 3-day convention at Mount Tremblant, Que., where they had a most enjoyable time.

### CAMPING CLUB

Summer is the time to enjoy the outdoors and for the approximately 28 families who are members of the Lamplighters Camping Club, it is an especially happy time of year. The club is composed of families who enjoy camping and during the summer various camp-outs are organized. In June the club hosted a "Bean-out" in Bingham Park, Kitchener, at which they served all manner of bean dishes to the approximately 160 people in attendance.

The weekend of July 11 saw the members attend a camp-out at Hillbilly Estates, just south of Gravenhurst. A National Camp-out will be held on Labour Day weekend at Silent Valley in Ayrton, near Mount Forest, which has been organized by the Canadian Family Camping Federation. Campers from across Canada are expected to be present.

The Lamplighters Club always looks forward to welcoming new members. During the winter they have regular meetings and officers usually include the man and wife jointly in each office. The only qualification needed to join is membership in the Canadian Family Camping Federation. Applications for both memberships are available and anyone interested in joining or learning more about the club may do so by contacting John or Wilda Carriere at 379-4504.

### BIRTHDAY PARTY

Lori-Lynn Kline, daughter of Mr. and Mrs. Donald F. Kline, 889 Hollowtree Cres., Mississauga, celebrated her eighth birthday on Saturday, July 4, with a party for her friends. Children present included Ricky Sakulak, John Dmytras, Cindy Dumont, Michael Mousley, Karen McRae, and Christina and Sandra Tomco.

After a lunch of hot dogs, sandwiches, cake, ice cream and pop, the children played games outdoors, including musical chairs, baseball, find the penny, races and a number draw, for which prizes were given to the winners.

### WEIGHT WATCHERS

An organization known as Weight Watchers of Ontario Ltd. has a local chapter which meets regularly each Monday evening from 7:30 to 9:30 p.m. at Cooksville United Church, Mimosa Row, Cooksville. The program is designed

to give persons wishing to lose weight a guide to sensible eating habits. No physical exercise sessions are involved and the meetings consist of lectures. The lecturer for the local group is Mrs. Shirley Kadis.

Men, women and teens are invited to attend. At the present time there are approximately 160 members attending the Monday night meetings. Anyone interested in joining or learning more about the organization may do so by going to the church on Monday night or getting in touch with the Weight Watchers at 127 Lawrence Ave. West, Toronto 26 (call 789-7676).

### FAREWELL PARTY

A coffee party was held recently at the home of Mrs. D. J. Brickett, Woodeden Drive N., for Mrs. D. N. Schalk, of Foxfield Court, Clarkson. A number of people from the area attended to bid farewell to Mrs. Schalk, who, with her family, is moving to Wisconsin.

### ERINDALE POOL

Since last week, when the swimming lessons started at Erindale pool, it has become a meeting place of friends and neighbors who have come to watch their children's progress. For any mothers who do not go with their young ones, they should make sure their children wear shoes or thongs, as there is so much broken glass going through the park and also around the pool area.

Laura Lee Moyer was cut by a broken bottle at the bottom of the pool last week.

### RESCUES CAT

One morning on the way to the pool, a small grey cat, which was stuck up in a tree, was causing some excitement among the children. However, an enterprising young lad climbed the tree with a box. After depositing the frightened young animal in the box, he found his descent was not as easy as he thought. With the perseverance found only in a young rescuer who is being watched by his friends, he eventually made it to the ground carrying his small charge. Although this is not a world shaking event, we feel this young lad deserves some credit for helping this unfortunate little cat.

### SUSSEX VISITOR

Bruno and Sheila Lamy of Ellengale Dr. have been entertaining Sheila's mother, Mrs. Mary Dolman, Sussex, England. Mrs. Dolman has been here for the past five weeks visiting the Lams and their two children, Susan and Phillip, and alternating her visits with other daughter, Sheila's twin sister, Mary, who lives in Downsview with her husband and two children. Mrs. Dolman plans to stay

for another couple of weeks and then go on to visit friends in San Francisco before returning to England.

### AT SHERIDAN COLLEGE

Chuck Baker of Ennisville, Ont. has been informed that he has been accepted at Sheridan College for the next year. Chuck spent the first part of his high school years in Streetsville, but for the past two years has attended Erindale Secondary School. He is spending his summer months working for a firm in Cooksville.

### NEWS WANTED

As this is the time of the year when all organizations have ceased for the summer, we are finding it difficult to keep this column alive and interesting. If you have any news item, such as entertaining out-towns guests or special vacation plans, a birthday or anniversary party or even a young boy rescuing a cat from a tree, please call 277-2366.

### SOCIALS

Mr. and Mrs. Douglas Raine, the former Marjorie Adams of Erindale, have returned from their honeymoon in Wasaga, and have now set up housekeeping in an apartment in Cooksville. Doeg and Marjie were married June 27 in Streetsville.

### PLAYGROUNDS

The summer playground season got under way at Streetsville's Vista Heights School July 6. Open from 9 a.m. to 4 p.m., the playground is for children from kindergarten age up and four instructors are on duty — Misses Maria Silva, Judy Bellamy, Debbie Warren and Leigh Barnett.

Children may bring their lunches and stay for the full day or only part of it as their parents indicate. The supervised play will continue even on rainy days when the children will be able to go into the schools for arts and crafts.

The playground will function at the Vista Heights School for three weeks, then will move to Ray Underhill School for July 27, Aug. 3 and 10.

### ORANGEMEN'S PARADE

Streetsville's Orangemen and some of their ladies travelled to Woodbridge last Saturday to participate in the annual "walk" commemorating the Battle of the Boyne. It was the annual three-counties parade, and in addition to the representatives of the local LOL 263 and LOBA 483 there were Orangemen and women from all over Peel, Dufferin and Wellington counties as well as many representatives of Toronto lodges.

Heading the approximately 30-man Streetsville lodge contingent were Master Jim Armstrong and an Associate Master Clifford Rogers.

### SWIMMING

The swimming instruction program is well under way at Streetsville pool, lessons having started June 29 with a capacity enrollment. In all, some 150 children are registered in the more than one dozen classes given at 35-minute intervals throughout each weekday morning.

There are classes for children from age four up with

The first party, for some 15 former school friends, was given by Miss Nancy Downard of Erindale and a bridesmaid, Miss Cathy Robinson of Clarkson assisted the bride in opening her gifts.

Hostess for the second miscellaneous shower was Miss Leslie Hinde of Sheridan Homelands and some 20 relatives and friends attended. Her younger sister, Janet, also a bridesmaid, assisted the bride with her gifts.

### MARITIME HOLIDAY

Mr. and Mrs. E. G. Banting of McMurchy Street, Brampton, are enjoying a motor trip to the Maritimes. Before their departure July 3 Mrs. Banting, accompanied by her aunt and cousin, drove to Beamsville for the day to leave her son Ricky to holiday with another uncle and aunt, Mr. and Mrs. Nick Yanik and their four children, Kelly, Theresa, Cathy and Charles during their absence.

Mrs. Banting is the former Kathleen O'Neill and her sister, Mrs. Yanyk, the former Peggy O'Neill, Mr. and Mrs. C. Val O'Neill, all formerly of Streetsville.

### BRIDE FETED

Much entertained prior to her June 20 wedding in Trinity Anglican Church was Miss Maureen Simms of 21 Theodore Drive, Streetsville. Daughter of Mr. and Mrs. John Simms, also of Streetsville, she became the bride of Brian Dennis Kaye of Simcoe, son of Mr. and Mrs. Theodore Kaye of that same city.

Before the wedding three miscellaneous showers were given in her honor. A Theodore Drive neighbor, Mrs. June Kingsford, entertained some 20 guests and the bride was suitably enthroned beneath an artistically decorated umbrella and watering can. The hostess' daughter, Heather and Ann Kingsford assisted with the opening of the gifts.

Attended by some 36 guests, the second shower was given by Mrs. June Apple of Peel Village, Brampton. All the bridal attendants were present to assist the honored guest from maid-of-honor Miss Ingrid Boehnke, through bridesmaids Janet Adams and Susan Kaye to the bride's 6-year-old sister, Kimberly. The attendants later joined forces to hold a shower for 20 school chums and neighbors at the home of the maid

of honor, Miss Koehnke, and again many lovely miscellaneous gifts were received. The gifts and the bride's trousseau were on view Saturday, June 13 when about 50 guests visited the bride's parents' home for the trousseau tea. All the bridal attendants assisted in displaying gifts and trousseau and tea was served by the bride's paternal grandmother, Mrs. Elizabeth Simms of Southampton, England, who had come to Canada, especially for the wedding. For the occasion she wore a pink silk crepe dress while the bride's mother was in a pale blue metallic pant suit, the groom's mother wore lavender and the bride was attired in a blue silk brocade pant suit.

After the wedding rehearsal June 18, the bridal party was entertained at the Creditview Road Streetsville apartment where the bride couple plan to make their home.
