 " against me and my Family since we were  
 " at the Head of the Lake for an abuse of power  
 " for Covardice during the war, The late  
 " Colonel Elliott had a great share of patience  
 " and yet he had nearly knocked him down

 " Brants I have however the satisfaction  
 " that my Conscience clears me of all his  
 " accusations.

 " or the Hurons to name the writer,

 " party / settled within reserve I suppose

 " should it be proposed by the Government
