The Secretary
Dept of Indian Affairs
Ottawa

Dear Sir,

Some time ago I called the attention of the Department to the necessity of getting wooded land for the Indians. Since some time they have had no wood on the reserve at Fisher's grant suitable for fuel. They have great difficulty in getting along in the winter season. They have since some time been stealing firewood from the neighbors' property to their great annoyance and loss.

As the Indians were supplied with land sufficient for their present needs, I had hoped to obtain firewood alone, but
