 . Asmussen:

Will you please convey to the members
of the North Waterloo Independent Liberal Association,
my very cordial thanks for the wire of hearty
congratulations, which I received from the Association
on the day following the National Liberal Convention.

I appreciate exceedingly this expression
of confidence and good will on the part of friends in
North Waterloo. The message has awakened many memories
which I shall always cherish and for which I shall be ever
deeply grateful.

Yours very sincerely,

P.S. I was delighted to learn of your own selection as
Liberal Candidate in the forthcoming Provincial
Elections. May I in turn, send congratulations
to you and every good wish for success and a
large majority.
