Stratford, Ont., January 9th, 1925.

Hon. Arthur Meughen,  
House of Commons,  
Ottawa, Ont.

Dear Sir:

In reply to your letter of December 10th. I must first offer an apology for not answering more promptly. This was due not getting in touch with the President of the County, Mr. D. A. Dempsey, who is a farmer living in the country and secondly on account of the Christmas business which in the last few days developed into a real Christmas trade and the people once more showed signs of life in buying.

In regard to what you say of having a representative in the constituency of North Perth I quite agree with both you and Dr. Tolmie. We have at present a sitting Member in the local house and a fairly good organization. After speaking to Mr. H. W. Strudley, President of the city association, and a number of other gentlemen it is thought that it might be advisable to wait until later as the question at issue will be a factor in selecting a candidate. As you know Mr. H. B. Morphy our ex-member went down to defeat along with the Government and a number of other good men. I think the question that North Perth will have to decide, when the policy of the Government
