Ottawa, March 8, 1924.

Dear Sir:

I have read yours of 29th February with very great interest indeed, I have also had an interview with Mr. Foster. In my judgment the matter of the choice of a candidate is entirely in the hands of the party in the constituency, and my course would be, without seeking to influence the party in any way, to leave our friends free to make such choice as they may deem best. I feel confident it should be quite within the power of our friends in King's County to redeem that historic writing at the next general election.

Yours very truly,

John Ross, Esquire,

Canning.
