The outstanding newspaper publicity during the year, of assistance in telling the public as to the work of the Federation Agencies, were the write-ups of the meeting of the Budget Committee one year ago. This has been frowned upon by the Budget Committee this year and consequently we are going to lose our principal opportunity of getting live news items of Federation in the press. This Committee recommends that the Budget Committee should extend an invitation to the press to attend its meetings.

Attached will be found detail of the cost of publicity during the past year compared with that of the previous year.

As the Chairman of the Committee only agreed to carry on until the recent Campaign was completed, he now makes his resignation and begs to thank the Directors for the opportunity given to assist in this work.

Respectfully submitted,

(SGD.) FRANK G. LAWSON,

Chairman.
