

EX-10

Ottawa, October 1, 1907.

Sir,-

I beg to call attention to letter addressed you on the 4th of January last, in regard to the land on Birnie Island, required by your Department for lighthouse purposes, and to ask that you will be good enough to furnish the Department with the plan and description of the land required, as early as possible, in order that surrender forms may be prepared, and submitted to the Indians, as required by the provisions of the Indian Act.

As the Indians are complaining at the delay in closing this matter, I shall be pleased to have the above plan and description as early as it may be convenient.

Your obedient servant,

Secretary.

The Deputy Minister  
of Marine & Fisheries.  
Ottawa.
