

Oct. 9/16-

OFFICE OF THE

Indian Commissioner,

NORTH-WEST TERRITORIES

Regina, 11th September 1889.

Sir,

I am sending by mail, blank forms
returns showing the crops sown and
harvested, by Individual Indians, also
total of Band.

Kindly send them in duplicate, to
this Office, on or about the 15th October
next.

I would also request that the head-
ings be not altered, but that the crop
sown be given in acres, and the crop
harvested in bushels. In case the latter
has not been threshed, it should be
given approximately, and in no case
should a Return be sent in blank, un-
less there is absolutely nothing to show.

I have the honor to be,

Sir,
Your obedient servant
Hayti Reed
Commissioner

Indian Agent,

Sarcee Rs
