

For Tourist and Sportsman

-- The -- Canada Atlantic Railway

Operates a first-class train service, including elegant parlor cars, between Ottawa and Montreal.

Is the shortest, quickest and only line running through Pullman sleeping cars, without change, between Ottawa and New York.

Is the most direct route between the Capital and all points in New England.

From Lake Champlain and the green hills of Vermont.
THROUGH THE PINE WOODS OF ONTARIO to the Muskoka Lakes, Parry Sound, Georgian Bay and the Great Lakes.

THE ALGONQUIN PARK ROUTE

The Canada Atlantic Railway is the only line running through the Algonquin National Park, a reserve of 2,000 square miles of a remarkable region of lake, stream and forest; a game preserve and natural sanitarium, whose elevation is about 1800 feet.
