

Every Woman Should Know.

That Prof. W. Hodgson Ellis, Official Analyst to the Dominion Government, has recently made a number of analyses of soaps, and reports that "Sunlight Soap contains that high percentage of oils or fats necessary to a good laundry soap."

What every woman does not know is that in common soaps she frequently pays for adulterations at the price of oils and fats. Try Sunlight Soap—Octagon Bar—next wash day, and you will see that Prof. Ellis is right. He should know. 30c

ST. JOSEPH'S ACADEMY, LINDSAY.

The closing entertainment of St. Joseph's Academy, Lindsay, took place on Monday evening, the 22nd of December, when a very pleasing programme was successfully carried out by the young ladies of the Senior Music and Elocution class.

A very interesting feature of the evening was the presentation of gold medals to the Misses LeHane and Butler. These beautiful, artistically designed medals have been awarded by the Venerable Archdeacon Casey and the Rev. Father McGuire, of Hastings, to the pupils who, having obtained a second-class certificate, have also taken honors in the English course.

Many regrets were expressed that, owing to the pressing duties of Christmas Eve, Father McGuire and many other friends were unable to be present.
