Everything you have to sell is sold at wholesale, and it is nothing but fair you should buy at about wholesale. If you buy an implement or any supplies for your farm, you have to pay from 15 to 40 per cent. more than their worth in order to support a lot of middlemen, which does not add to the value of the goods. By becoming a shareholder in the FARMERS' MANUFACTURING & SUPPLY CO., you save this unnecessary expense. W. J. Goodwin, of Owen Sound, one of our shareholders, says he saved \$18 on two pumps. We have over 2,000 shareholders, several who have saved more than the cost of their shares. \$20 buys one share. Write for particulars.

**What They Say.**

Gentlemen,—

Smith's Falls, May 30th, 1906.

About three years ago I bought a Steel Hog Trough from your agent in Smith's Falls. It has proven one of the best investments I ever made. It is just as good to-day as ever. The hogs keep it always clean, and it has never rusted a bit. I have just given your agent an order for two more. Wishing you every success, I am, Yours truly, H. B. SBIELD.
