

**AND WE DID NOT PAY FOR IT UNTIL WE WERE CURED**

When you hear a lot of people praising a thing, you begin to realize that it must be good. One man, or maybe two, in a community may be mistaken, but when a dozen remark that they have found Dr. McLaughlin's Electric Belt a good thing, you are forced to believe it.

When you meet a friend on the street and comment upon his improved appearance, and he tells you that Dr. McLaughlin's Electric Belt has done it, even though you don't believe in electric belts yourself you can't help feeling glad that your friend imagines that it helped him.

It's hard to convince some people that there is so much good in a thing that is worn about the body only a few hours at a time; it looks impossible, but when a dozen people whom you know to be honest persist in saying that it made life worth living for them you are forced to take some stock in it.

That is why Dr. McLaughlin's Electric Belt is so popular now. It has cured a lot of people, and they are praising it; they call it their best friend.

One man who had felt run down generally, who had no life in him, no ambition for the future, and was always groaning with some sort of a pain or ache, was cured by it, and he seemed to think a good deal of it, because he said there was not enough gold in the Dominion to buy it of him, if he could not get another like it.

The most noticeable thing about men who have been cured by Dr. McLaughlin's Electric Belt is the way their views change as to their future; men who have looked for nothing but hard luck and discouragement seem to take a new grip on prosperity, and aim higher from the day they begin wearing the Belt.

You know men who seem to think that they have no luck, nothing turns out right for them. They are men without nerve, with some sort of trouble that is holding them down; they are discouraged, and tired of the fight; they wake up in the morning with a pain in the back, a tired feeling and very little interest in the day before them; they go about their work without caring, and are glad when quitting time comes.

How can luck favor that kind of a man? If he does succeed, it is certainly luck for him, but fortune smiles mostly on the man who goes after her with a club; you've got to train your luck as the man tamed the shrew, by being master of it, and shaping it in your favor by your power to command.

Luck is generally nothing but energy turned to working for you; success comes to the hustler. Nobody can hustle who has not strength and vitality. Men who wear Dr. McLaughlin's Electric Belt are full of energy; they aim high; they bring success to themselves with the health and strength that the wonderful Belt gives them.

That is why men who wear this Belt

are bright, happy and cheerful; they feel good, and show it.

The majority of cases which have been lately cured by the Dr. McLaughlin Belt are of men broken down by nervous strain, overwork, overeating and late hours. In them the old ambition seemed to have gone; self-confidence was lacking, and there was a tendency to premature old age. In such cases, Electricity is most effective, as its effect is to restore life to the nerves and all the vital organs. As examples of the influence of the Dr. McLaughlin Belt upon such cases note what Mr. Jos. Armstrong, 173 Rectory St., London, Ont., says:

"I am glad to say that I never felt better in all my life, and all the praise is due to you and your Belt, which I only wore for three weeks, and have it laid aside as good as new. To put the whole thing in a nutshell, every joint in my body and my back is working like a new clock. My work is no bother to me, and I thank you again for the cure of my back and stomach, and for my whole system. Do not be afraid of letting anyone see this, and if they are not satisfied with this, send them to me, and I will prove it to them. After suffering for the most of four years, you and your Belt cured me. I came here from Scotland for that cure, and I am for stopping in this country now. I am here to witness all I have said. Wishing you all kinds of prosperity and sale for your good remedy."

Here is another: Mr. J. Harry Denton, Trenton, Ont., says:

"I used your Belt for nervous debility and rheumatism in 1903, and it cured me. I wrote at that time to this effect, and what I said then I can verify now. I am enjoying better health at the present time than I have done for many years. I would recommend the Belt to anyone suffering from rheumatism or from any form of nervousness."

Mr. A. Russell, Niagara Falls, Ont., writes:

"I am glad to tell you that I have not felt better in years. I have had no signs of a lame back since I wore your Belt, and that is over a year ago. I think that is the best thing for a lame back that anyone could get. I could not have got along without one, and I will be pleased to recommend your Belt to anyone that is troubled with a lame back."

In cases of Rheumatism, the Dr. McLaughlin Electric Belt has a specific action in quickly relieving the pains and freeing the blood of the Uric Acid deposits that cause the trouble. Among the recent cures, we may mention Mr. Angus McDonald, No. 9 Buffalo St., Brantford, Ont., who says:

"I came to Brantford a little over two years ago, crippled up with Rheumatism so bad I had to be carried into the house, and was helpless for six months. I was treated by three differ-

ent doctors. I went to Preston and took the baths, and received slight benefit from them. I then bought one of your Belts, and at that time considered my case hopeless. I have improved steadily since wearing it, and have been able to resume my business as builder and contractor. I have recommended your Belt to many as a sure cure for Rheumatism, even in its worst form, as I was about as bad as anyone could be with it when I got your Belt, which has, I am glad to say, completely cured me. The Rheumatism had affected my heart, and it has greatly improved me in that respect."

Mr. Robert, Arcola, Sask., is another man cured of rheumatism two years ago. Here's what he says:

"Dear Sir,—I wore your Belt two years ago for rheumatism, and it cured me completely, and I can now say that I consider it a permanent cure, as I have had no return of it since. I thank you very much for urging me to take your Belt at that time. I feel stronger and younger than I have for years, and I would advise anyone suffering from rheumatism to try your Belt, as I do not think they could find a better remedy."

The man or woman whose stomach seems to be "knocked out" can practically get a new stomach by using the Dr. McLaughlin Belt. The reason for this is that the stomach when in healthy condition is an electric battery in itself. It furnishes power and strength to every organ of the body. When it is weak, it is a sign that the natural Electricity is below the normal. It is useless to take drugs to refill the human electric battery with the element that is so necessary for its health. They can't do it. How the stomach is reinvigorated by the Dr. McLaughlin Electric Belt is told by Mrs. Bertha Hamilton, of Erin, Ont., who writes as follows:

"Since calling at your office on June 22nd, I must tell you that I am sure it was the Electric Belt that has helped me. I know that I would not have lived if I had not got it when I did, and I cannot be too thankful to you. After five years of agony that I endured, it is like having a new lease of life now. I am gaining two pounds of flesh a week, and am eating solid food. I have been taking liquid food a month nearly, and solid food for three weeks. The people think my cure very rapid and wonderful. Many of them said I would never eat again. I am certain that you cannot advertise your Electric Belts enough. The only trouble is that there are those sold that are no good. We do not think anything of the money we spent on the Belt. I have to repeat my story over and over again every day to different people, as everyone wants to hear from myself about my cure. I never felt better than I do now. Of course, my nerves began

to quiet when I began to use the Belt, and, as you know, I wore it even when I was very weak. I have a host of grateful friends who wish me to thank you also for them, for they were all nearly sick about me, thinking and seeing me starving every day, with plenty of food about me. I cannot speak too highly of your Electric Belt, for it is a perfect fit, and is doing just what you said it would do, and in so short a time, I never expected the cure so quickly. It was a surprise to me, and I can hardly believe it. I now look very well. You would hardly recognize me as the woman who called at your office on June 22nd. I think my doctor here is as delighted over my recovery as anyone can be. With best wishes for your continued success."

Here's a man cured of stomach and kidney trouble and diarrhoea. A. P. Hickling, of St. James, Man., says:

"My indigestion has quite disappeared and my kidneys are free from pain. I no longer feel any weakness in my spine, and my appetite has returned, so that I can enjoy as good a meal as any man my size. I have gained five pounds in weight, yet the neighbors say that I do not look as fat as I did. I am also free from diarrhoea, which was severe during the summer months. I am most thankful to say that the Belt has about cured me of other weaknesses. I believe your Electric Belt is a genuine success."

We could fill pages of this paper with letters of praise from those who have been cured by Dr. McLaughlin's Electric Belt, but those given above are certainly enough to suggest to the reader that he may also find relief from his ailments by using electricity. If I don't cure you, it costs you nothing. All I ask is reasonable security and you can pay when cured.
