Security! Income! Saleability!

The Three important features of an investment are—

- (1) The certainty of receiving the principal amount of the investment when due.
- (2) The obtaining of as high a rate of interest as is consistent with that certainty.
- (3) The ability to easily sell the security if occasion should arise.

Municipal Bonds are as sure and as safe as any security yet devised by the human mind. They yield an attractive income and they have an active and reasonably broad market.
