TO INVESTORS

Brandon, Manitoba

and surrounding territory presents to Intending Investors, large and small, the best possible opportunity at the present time (now) to realize large returns quickly.

Brandon Real Estate has never been boomed as other Western cities have, consequently prices are low comparatively.

With hundreds of thousands of dollars being spent in paving and other civic improvements.

With a million dollars' worth of contracts already let for private enterprises this year, Brandon is sure to forge ahead and increase greatly.

Brandon is the place for the conservative investor.
