THE TEMPERANCE REFORM AND ITS GREAT REFORMERS.

By Rev. W. H. Daniels, M.A.—With an Introduction by Rev. Theo. L. Cuyler, D.D. This is a book which has for its field one of the most spirited and successful of all modern assaults on the kingdom of darkness; for its author one of the most successful historians of modern evangelism, whose former works have within the last three years reached an aggregate sale in this country and Great Britain of over 100,000 VOLUMES; for its publishers, a house which makes as honest and saleable books as any in the whole subscription trade; for its PATRONS, all who are interested in, have suffered by, or are working to suppress, intemperance; and for its MISSION, the forwarding of the Kingdom of Christ by saving the souls and bodies of men.

READ THE FOLLOWING TESTIMONIAL FROM PAYMASTER GOOD. Halifax, N.S., 9th June, 1879. DEAR SIR,—My cow having been under the effect of dead poisoning, has been successfully treated by Mr. Byrne, Veterinary Surgeon, and having become much emancipated from its effects, I was induced to try your "Nutritious Condiment." The results have been most satisfactory. After using the Condiment for a short time, she has not only regained her usual tone, but is now only a few quarts of milk daily, she is instead yielding fourteen quarts of milk rich, and we have plenty of cream for butter, and other purposes. I do believe the Condiment to be everything that is claimed for it; and can recommend it with confidence to others. You are quite at liberty to publish the foregoing Yours very truly, J. K. GOULD, Major. Staff Paymaster to H. M. Forces. GEO. FRASER, Esq., Agent North British Co's Nutritious Condiment, Halifax.
