F. WRIGHT, MANUFACTURING CHE-MIST.

KENSINGTON HIGH SIREET, LONDON, W. "This WINE is guaranteed to be the juice of the finest grapes of the Cote d'or, Andalusia, and the Medoc. It is perfectly free from Alcohol, and is guaranteed to be Pure Grape Juice. It has stood the test of 22 years continous sale in every climate, and is now used in upwards of 1500 Churches of all de-nominations. The mode of manufacture is a slight modification of a well-known ancient practice, and effectually preserves the grateful flavor and the rich nutritious qualities unimpaired. It is therefore admirably adapted in cases of debility and fever, in which the stomach is 'oo weak to digest other food. Children suffering from febrile ailments drink it with avidity, even when all other food has been refused.

JOHN M. HODGES, Esq., M.D., F.C.S., Public Analyst for Antiim County and Beljast Borough,

"I have chemically examined the bottle of Wright's Un'ermented Wine (taken by my son from the stock held by Mr. Wright's Belfast A. ent), and find that it is free from alcolol, and contains the constitutents of grap juice. When mixed with water it will prove an agreeable beverage."

FROM REV. JOHN PURWASH, Formerly Professor at Mount Allison Wesleyan College, Sackville N.B.

Sackville, May 23rd, 1882. "I have just finished the analysis of the Wine sent. It is necessarily a slow process, some of the steeps taki g two days. This Wine contains No ALCOHOL, nor any deleterious ingredient. \* \* \* It can be relied on as wholesome, not having any intoxica-ting properties. \* \* \* ."
