The Success
 of anything depends upon the publicity it receives

Therefore, when a Sunday school entertainment is to be held, or special church services are to be conducted, it is important that as many persons as possible be made acquainted with the fact. There is no better way of accomplishing this than by attractive poster and newspaper advertising. We print posters that people stop to read, and compose advertisements for newspapers equally attractive.

A Handsome Well Finished Case
 Does not put tone into a piano, but

who ever saw a notably inferior piano in a thoroughly well finished case, or a strictly first-class piano in a poor case? Don't you let anyone sell you a piano lacking in artistic design or poorly finished exterior. All high-grade pianos are put in well finished cases. Find a poor case and the inside will be no better. The matchless "Karn" has admittedly the handsomest and best finished cases in the market. It would be a pity to put a poor case around a piano possessing such a marvellous purity and sweetness of tone, responsive touch and perfect scale. The surpassing beauty of the cases of the Karn Pianos is an index of the musical perfection within.
