

The Farmers' Market

WINNIPEG MARKET LETTER

(Office of The Grain Growers' Grain Company Limited, December 31, 1915)

The last week of the year 1915 saw exceptional activity in the grain markets for the holiday season.

The grain market has also been active, with a considerable volume of trading and a good demand for cash oats, particularly of low grades.

Barley has been dull, with no buyers, until Thursday, when some sales were reported at 53 cents for No. 3 C.W., and 58 cents for No. 4 C.W.

Flax has been advancing, and flax futures show a gain of over 6 cents for the week.
