

Power for Every Purpose

Power farming is doing much to solve the shortage of farm help. A reliable Tractor can be used for a great variety of purposes.

Great care should be exercised in the selection of a Tractor and the standing of the maker is your best guarantee.

The one you can depend on all the time and every time is the

Massey-Harris Tractor

backed by a Company of unquestioned standing, with 70 years' experience.

The only Tractor out of 44 entries at the Brandon demonstration that finished within the time limit and the only one that went through the unusually difficult conditions without a stop.

Massey-Harris Co., Limited.
