merit," and the most satisfactory from every point of view.

base, the quality of Canada Paint is absolutely assured.  
Easy spreading under the brush, it is far more durable  
and will cover more space than the so-called cheap paints.

**The Quantity Required**

add the number of feet in a job of front and rear to sum-  
ber. If feet in length of building, multiply by the average  
height and divide by 425 for two coats.

quire of the famous "Elephant Brand" Genuine White Lead.
