

# BOTH LOCAL TEAMS EMERGE VICTORIOUS IN GROUP CONTESTS

## A GLIMPSE AT THE WORLD OF SPORT

### BELLEVILLE WINS GROUP TITLE IN CLEAR-CUT VICTORY 5 TO 3

Belleville intermediates won a clear-cut victory and group honors last night when they defeated their old-time rivals, the Kingston Frontenacs by 5 to 3.

It was a royal battle from start to finish with the issue more or less in doubt in the first and last periods. The game all things considered was remarkably clean. The pace throughout was terrific, the checking close and the brand of hockey at times very ragged and at times exceptionally good.

With Munroe in charge the roughness was pretty well eliminated. He was on top all the time and though he let some stuff get past his performance on the whole was completely satisfactory.

It can be done. Belleville at last have demonstrated one thing which true lovers of the sport here have always contended and that is: That they can defeat the Frontenacs if they stay on the ice and play hockey. This point is one which has caused innumerable arguments heretofore and has now been settled—till next year. The rink was packed to its capacity and the huge crowd went home in bright good humor.

Mr. Sutherland said after the game that he considered it one of the fairest, nicest games he had seen in some time. He was pleased that as Belleville won, it was by playing clean hockey and his team had nothing to apologize for.

The game started off with a rush and the crowd was kept on its toes throughout. For the first eight or ten minutes it was nip and tuck with Frontenacs having slightly the edge in checking. Both had several shots on goal with Boland and Tobin making sensational saves. It remained for Green to bulge the net with the opening counter with a beautiful shot from 20 feet out.

From that moment they were away hammer and tongs and the game speeded up as it proceeded. Kingston were still having as many shots as Belleville, and only for Boland's wonderful work in goal the honors might very well have gone east. Boland did his bit last night, and is as much responsible for the victory as any other man. Joe Smith, Fred Brown and Brouse time after time had shots well placed, from close in and from quarter way down but he turned them, neatly aside. Fred Brown finally did beat him after 8 minutes play, tying the score. It remained tied as the period ended.

Ran in 3 Talleys. Not a minute after the second session had opened, Daw Whelan fooled Mr. Tobin. The pace was terrific and at every bell subs were sent out to relieve winded men. Gunner Arnott coming down a mile a minute dodged Stewart, Brouse and Lloyd Brown and heaved the disc at Tobin, then followed in and scored on the rebound. It was neatly done; also that made it three to one.

The fifth tally came when Swayne, the star junior centre man, who was used as a sub, took a pass from Daw Whelan and dinged the draperies with as sweet a shot as was made all evening. That made it one to four against the Sutherland crew. The crowd was wild with excitement as they saw the score running up against the Frontenacs; revenge was sweet!

ably saved a score each time) was down half a dozen times in Kingston and Mr. Lawson Whitehead let him get away with it. Tobin is a good not guardian and he pulls all the old stuff he knows, but there are limits.

Munroe said after the game that Whelan was the best man on the ice. And Tom knows.

It was not always first class hockey but games with so much at stake rarely are. And there was far more at stake last evening than just winning the group. The team was out to show that it could beat Frontenacs on the play it was 5 to 3 better.

Swayne, the star of the junior outfit, was too careful not to make a mistake and did not show up as well as he might have. He'll get over that with another trip in intermediate company.

Goyer, who was the star of the contest in Kingston, was smothered when he tried anything. Two or three of the enemy kept after him all evening.

The Sutherland Six lost their chance in the first round when, by Boland's superb work between the sticks, they were only able to get one. They tried hard enough.

Green's place, unquestionably, is on the defense. He relieved nicely a dozen times, rushed well, feeding the line, and never allowed himself to be drawn out too far.

Arnott was watched pretty closely. These Frontenacs never give him a chance. They know his possibilities as a goal getter if he gets away.

Symons, who has forgotten more hockey than some who only play the game from behind the rail will over know, was his usual useful self. He's a gentleman on and off the ice and is always on the job.

Weir showed bursts of speed and played against the whole works for a couple of minutes at one time. He has youth and courage in his favor.

Jimmy Stewart is the most unfortunate fellow. He always gets bumped. When he used to play in the Toronto Arena it was the same story. He did well last night and was given a hand.

Not an incident to mar the game; nobody forgetting themselves by losing their temper; all out to win for the game's sake. Great stuff, what?

**LINDSAY IS TALKING ABOUT ANOTHER RINK**

The Lindsay Post says:—Once again efforts are being made with a view to the erection of a new hockey rink in Lindsay. The matter has been taken up by Mr. Tony Bakogeorge, who believes that with a united effort on the part of all interested citizens a structure worthy of the town could be erected. The present rink, it is pointed out, has outlived its usefulness so far as accommodating the crowds that attend the hockey games is concerned, and with a larger ice sheet, and increased accommodation for spectators, the popular winter pastime would boom as never before. The construction of a modern rink would entail the expenditure of a considerable sum of money, but the promoters are confident that the amount required will be subscribed.

This is the third time within recent years that Frontenacs and Belleville have wound up with a 5 to 3 score.

Twice Belleville was playing four men against six, with Weir and then Whelan playing against Stewart, Brown and Smith. Nothing happened either time.

Just to show the difference in of Metals, Tobin, who was banished twice last night for lying down (although, as a matter of fact he prob-

### Port Hope Will Play Oshawa for Group 2

Several Belleville hockey fans went up to Trenton last night to see the set-to there. They all say that it wasn't much of a game, with neither side showing any particular class. Hill, of Port Hope, was the best man on the ice. Port Hope, by winning 4 to 2, also won the right to play off with Oshawa, a team that has been circling around to Cleveland and so forth, trying to keep in shape. The teams last night were: Port Hope—Goal, Campen; right defence, Hoffman; left defence, Carter; centre, Burns; right wing, Carter; left wing, Burns; subs, Campen, Rooke.

Port Hope—Goal, Micks; right defence, Jex; left defence, Darch; centre, Hill; right wing, Wale; left wing, Hill; subs, Beowes, Wale.

Referee—H. Sproule.

### MOGILL AND VARSITY TO COMPETE AT CARNIVAL

A Philadelphia despatch says: McGill and Toronto universities have accepted the invitation to send teams to the University of Pennsylvania relay carnival, to be held at Franklin Field on April 29th and 30th.

The carnival promises to break all records so far as the number of contestants is concerned, university officials said. More than 2,000 athletes took part in last year's meet, and the large number of inquiries being received from universities, colleges and schools from all sections of the United States indicates that the entry list this year will be still greater.

Definite acceptance of the invitation sent to the combined universities of France have not yet been received.

### LINDSAY GETS A JOINT FROM MARKHAM EXPERTS

Lindsay, Feb. 2.—The Lindsay intermediates had to exert every ounce of their strength in the last ten minutes of play last night to even the score of 4 to 4 against Markham.

The underestimated Markham players were the fastest skaters and best stick handlers seen here in many a day. They were ahead in every period, and by fierce back-checking prevented Lindsay from scoring.

Reesor for the visitors was the best man on the ice and Hardy was also fast. Both goalers were good. Markham—Goal, Thompson, defence, Lamson, Stewart; centre, Reesor; wings, Hardy, Cowie, subs, Mason and Grove.

Lindsay—Goal, O'Laughlin, defence, Flavell, Greene; centre, McElroy; wings, Carew, Coobs, subs, Elipsett, Stoddard.

Referee, Jacob.

### RING ALBERT OFFERS CUP FOR TRANS-ATLANTIC RACE

New York, Feb. 2.—King Albert, of Belgium, has offered a cup for a trans-Atlantic race of sailing yachts, to start on July next, Baron de Cartier de Marchienne, Belgian Ambassador to the United States, announced here.

The race will start at Sandy Hook and end at Ostend, Belgium. There will be no handicaps and yachts of all sizes and rigs may compete. Sailing yachts equipped with engines compete if their machinery is sealed in accordance with the rules of the race.

The yachts will start at noon, July 4, regardless of wind and weather, they are stated.

Entries will be received up to June 20, by Pierre Mall, Belgian Consul General here.

### WAS BADLY BURNED

Trenton—W. E. Foyrean, Trenton, had the misfortune of getting his face and right hand burned while working in the acid plant at Clinton and has been seriously ill for the past couple of weeks.

### SORE TOUCH TO FRONTENACS

The Kingston Standard in its account of the game on Monday evening leads off like this:

Away in the distant past, so long ago that cobwebs have been forming over the records, Belleville won group honors from Kingston. Since that time, when Belleville was becoming known as a pretty little Quinte village, hockeyists from the western village have been striving and putting forth every effort to beat Kingston. Nothing else matters, so long as Kingston is defeated, and last night in Belleville their cup of joy was filled to the brim, when the Belleville team won from Frontenacs by the score of 5 to 3 in one of the fastest and finest games the Belleville fans have been privileged to see.

With the battle over and the laurels are offered. Belleville played together, little better than Kingston and had all the breaks of the game, but apart from that, the players individually were on a par.

In a measure the win for Belleville was not unexpected. Before the game they were ruling favorites in what little money was bet, though all bets were at even money. The little shoe-box rink was filled to the doors, even the sides, bulging with the crowds, but it managed to withstand the ordeal, and pass through the game undamaged.

Belleville presented a strong team, though they did not play up to the form they displayed against Queen's. Boland, in the nets, played a grand game, and was on his toes all the evening. He had plenty to do and did it well.

On the defense Goyer failed to show up in his usual form. His sensational rushes and blocking were missing, and he seemed a different player from the Queen's game. Green, on the other side of the defense, proved very valuable, and broke up rush after

rush, while he got away well. At centre Gunner Arnott was weaker than usual. He did not play up to the game, and continually lagged behind the play.

Weir and Whelan played in great style, their back-checking being splendid at all times, while they bored in like steam drills. Swayne, a junior, showed a world of speed, while Symons was very useful. Joe Smith was about the outstanding star of the Frontenacs, with Jimmy Stewart keeping him company. Smith, never back-checked like he did last night. He played the full sixty minutes and at the end was going as strong as at the start, while his shooting throughout the game was deadly. Jimmy Stewart worked like a beaver, and though badly hurt in the second period, he came back strong. Lloyd Brown played a grand game on the defense. His corkscrew rushes were treated, though he was unfortunate in losing the puck almost every time near the Belleville nets.

Fred Brown and Punch Derry was on their game every minute. In goal Fred Tobin played a wonderful game, just as he did against Belleville here. He stopped dozens of shots, all difficult, and but for him the score would have been much greater. From a local standpoint the feature of the game was the return to action of "Shawnee" Reid, the busy little forward, who played in his first game since 1917. He worked like a Trojan while on the ice and gave a good account of himself.

After the game Belleville went wild. It seemed as if they had won the championship, the way they raised a holler, and clearly the victory was like soothing syrup to a baby. Belleville has a rattling good team, and while they will give a merry battle to their next opponents, Oshawa is picked to defeat them.

### BELLEVILLE SPIEL UNDER WAY

Eight matches opened the curling bonspiel of the Belleville Club last evening. Eight rinks competed in each of the draws, two draws taking place last night. The competition will close on Thursday evening when the same eight rinks will play in two draws. The rinks with the highest total score will win the prizes.

Last night's games were, several of them, very close, and deep interest was taken by all the curlers. The results of the matches follow:

**First Draw.**  
B. Lang, E. Gartley, A. I. White, W. O. Adams, A. T. Symons, Dr. Clarke, W. N. Belair, J. D. Clarke.

**Skip 12.**  
J. Imiah, A. W. Allen, G. Donohue, T. Clarke, H. B. Stock, Dr. J. W. Kinnear, J. W. Davison, R. A. Backus.

**Skip 12.**  
J. Gardner, Major Pratt, W. Symons, T. J. Hurley, T. E. Ketcheson, M. Wright.

**SPOT NOTES.**  
Jack Dempsey, world's heavyweight champion, is in Los Angeles. He is planning to appear in a motion picture, he states.

Indictment of eight members of the Chicago American League Club last year has led to the introduction in the New York State Legislature of a bill intended to fix a penalty of one to five years imprisonment and a fine of \$10,000 for baseball players found guilty of accepting bribes, and persons who attempt to influence the player to lose or try to lose a baseball game.

Argonauts lost their sixth consecutive game in the O.H.A. senior championship race when University of Toronto defeated them last night at the Arena 7 to 4. Argos forced the play

from the start, but were not effective missing many chances when in a position to score. In the last two periods they body-checked the students and these tactics met with good results. Crook in the net played one of the best games of his career and his good work in the net kept the team in the running.

**RODE ATOP TRAIN.**  
Brockville—When Grand Trunk passenger train No. 45 (the Moccasin) arrived, John Lute was observed by Captain J. Watson and Officer Allan, of the G.T.R. force, riding on top of the coaches. As he stepped from the cars at the rear of the train he was arrested by the latter. Taken before Magistrate Pape, Lute was fined \$1 with costs of \$5 for stealing a ride on the train from Prescott.

**BY GOLLY: THAT TEN COME IN HANDY THIS MORNIN'—I'LL RIDE IN A TAXI.**

**WOW! THE BARREL IS FROZEN.**

**NEXT MORNING.**

### LEGAL

**COLLINS & COCHRANE.** Barristers, Solicitors, Etc. Solicitors for Bank of Montreal and the Royal Bank of Canada at Tweed. Offices: Campbell Street, Belleville; also at Tweed. A. Bernard Collins, Arch. Cochrane. Money to loan.
