Settlement of the Sarine Dispute Brings | Secri Good Times for Charlotte

County Folks. DEER ISLAND, N. B., May 21-Now that the trouble has been settled between' the Maine sardine packers and Weirmen's Union of Charlotte County, Passamaquoddy Bay presents very busy appearance to the eye. motor boats, loaded to the water's edge, may be seen swiftly passing up the bay, bound for Eastport and bec, the chief centers of the sardine industry. When herring are plentiful some of the sardine boatmen, who own boats of large carrying capacity, make as high as \$50 a day. Nearly all the sardine boatmen have installed gaso-

It is safe to state that in the parishes of West Isles and Campobello alone, there are between 150 and 200 motor boats. said that 40 motor boats are owned by the fishermen of Wilson's Beach, Campobello. FOUR LIVES WERE LOST GRAND RAPIDS, Mich., May 21-The steamer Naomi, of the Crosby Trans portation Company, burned to the water's edge at 1.30 o'clock this morning while on her way from Grand Haven aken off by the steamer Stratford and transferred to the steamer Kansas of the same line. Four members of the crew were burned to death.

Those rescued were taken off in small

boats. The dead were all coal passers

The loss on the Naomi, which was in

amand of Capt. Thomas Traill, is

estimated at \$225,000. After the pasengers and crew were rescued a barge put a line on the burning hulk and is towing it into this port.

The fire started near the kitchen, between decks, and spread rapidly through the whole ship which was a g furance before the crew could get out the fire apparatus. The fire swept the whole length of the ship and the upper works burned like tinder. It is considered miraculous that the pas-sengers all escaped. Many of them while scarcely anyone was more than partially clad. Capt. Thomas Trall was the last man to leave the steamer alive, and his clothing were almos burned off him.
