

Doctors Recommend Good Ice Cream

There's nothing better for children or grown-ups than rich milk or cream. But so many people do not care for it, that doctors recommend it in the form of ice cream. The best and purest is none too good, and that's why you

-made in a model plant, from the purest thick pasteurized cream supplied by regularly and carefully inspected dairy herds. Therefore there is no danger of getting cream from tuberculous cows.

Brant Ice Cream is delicious by itself, and combined with fruits, preserves, nuts, etc., it forms many dainty and refreshing desserts.

When you serve Brant Ice Cream—in any form—you are sure of pleasing your guests, your family and yourself. Sold in bulk or in bricks.

Order some from your Dealer to-day (a pint is enough to try) and you'll always use it.

N.B.—Brant loe Cream bricks are carefully packed in improved sanitary cartons.

Loyal to the Flag of Freedom

At the morning service-in St. Basil's church yesterday morning Rev. Dear Brady preached a most eloquent sermon on the great war now in progress in Europe. The Rev. Dean reugested the prayers of all for an honorable peace and he prayed that the arms of Great Britain might be successful against her enemies. Catholics were loyal subjects of Great Britain because under her flag Catholics had the greatest freedom and and liberty there was to be enjoyed

in any country in the world. The dean also referred to the home coming of Old Boysaa d Girls and hoped that all would receive a blessing by attending their old mother church of St. Basil's.

The Appreciation

More and more diamonds are bought, sold and worn every year. And this in spite of the fact that the tendency of diamond prices is steadily upward.

Which last fact makes the purchase of a good diamond a worth-while investment.

For the prosecution Mr Norman Clinton said defendant did washing for four soldiers and refused to pay extra for the water which she used.

If the principle was conceded there was no reason why the whole of Aldershot should not be flooded with the water for soldiers' washing.
