AN ANTI-DYNASTIC RISING FEARED IN CHINA.

German Legation Has Doubled its Sentries on Account of Anti-Foreign Placards.

Chinese Boycott Caused by Ill-Treatment of Chin ese in U.S., Philippines and Australia.

Foreign Board appreciates the possibility discrimination and is not anti-foreign of an anti-dynastic rising. The German legation to-night doubled its sentries on account of the posting of anti-foreign placards in Tien-Tsin.

discrimination and is not anti-foreign. The Chinese people and officials are on good terms with all foreigners, and have no hostile feelings toward them. The Chinese merchants have the best feeling account of the posting of anti-foreign placards in Tien-Tsin.

CHINESE BOYCOTT.

Wu Ting Fang Explains the Why and the Wherefore of It.

Pekin, Feb. 26.—Wu Ting Fang. for-mer Chinese Minister to the United Wu Ting Fang is now living quietly in Pekin, devoting his time to codifying the laws of China, one of the numerous reforms under way. Speaking of the present conditions, Wu Ting Fang said:
"China is at a crisis and is passing through a transition stage. Her statesmen and people feel that China needs reform."

Cartesian unkindly, but to continue their friendship as before. Unfortunately disturbances in several places are now arising from the boycott, but there is no sign of an outbreak against foreigners."

U. S. HELPLESS.

men and people feel that China needs re-form, but there are great differences of opinion regarding the means. There are several classes of reforms. There are those who speak foreign languages and who have been abroad, and who have had

experience on both sides of the question. "They favor sensible and useful re-forms, but not too radical so as to make China first able to stand upon her own China first able to stand upon her own feet. The number of these sensible reformers are few. I am one of them. The ruling classes also know that something should be done, but they are at their wits' end to know what to do. The third class is composed of young students, who are too rash. They need training and experience. Financial reforms should be carried out in the first place, but without foreign-advice and capital it without foreign-advice and capital it would be impossible to do so under present the united States he said: "If there was an uprising in China this country could not get sufficient forces in the field to make a showing. There are many troops in the Philippines but they would not be available for a clash with the Chinese. The danger, if there is any is to the Americans situated far inland. If they were attacked it would be all over before the would be impossible to do so under present the united States he said: "If there was an uprising in China this country could not get sufficient forces in the field to make a showing. There are many troops in the Philippines but they would not be available for a clash with the Chinese. The was to be executed at noon, slept well all night and when he awoke this morning was apparently in cheerful mood. He talked to Guard Jas. Cummings who was would be impossible to do so under present the United States he said: "If there was an uprising in China this country could not get ufficient forces in the field to make a showing. There are many troops in the Philippines but they would not be available for a clash with the Chinese. The A Chicago despate: John Hoch, who is a state of the United States he said: "If there was an uprising in China this country could not get ufficient forces in the field to make a showing. There are many troops in the Philippines but they would not be available for a clash with the Chinese. After a consultation with States Attorney Healey the jail officials decided to delay the execution if necessary until 2 p.m., the last hour named in the court sentence providing for the hanging.

HOCH'S CAREER.

Was a Man of Many Wives and Many Murders.

Hoch is believed to have come originalfrom Herrweiler, a small town in Gery from Herrweiter, a small town in Germany, not far from Binger-on-the-Brine. His father, Jacob Schmidt, is said to still reside there. A wife supposed to be the first wife of Hoch, is also living in the same place. Hoch has always been reticent regarding his career in the country and his first wife, married in the United States is believed to have been Merchanten. States, is believed to have been Mrs. Martha Steinbrecher, to whom he was

married in 1895.

After living with Hoch for four months she died, the cause of death being given as nephritis. In November, 1895, he married Mary Rankin, of this cty, and left her the day after the wedding, because she refused to give him money. In April, 1896, Hoch married Martha Hertzfield, and left her in four months, after obtaining from her \$600 His next wife is said to have been Mary Hoch, of Wheeling, W. Va. She died of

In the fall of 1896 Hoch married Clara

A Chicago despate: John Hoch, who | er, who died early in 1903. Her relatives have claimed that she was poisoned.

THREE DAYS.

Lockup an Improper Place to Confine an Insane Person- Allegation That Constable Had No Authority.

A St. Catharines despatch: Representations having been made to County Judge Carman regarding the arrest and con-finement in Merriton Lockup of Sylves-ter Newton Barr, an alleged lunatic, his Honor made an order suspending Samuel Moffatt from the office of village con-stable for thirty days, in order that in-quiries might be made. The charges are that the lockup is not a proper place in which to keep any person, much less one in the condition in which Barr then one in the condition in which Barr then was, and that Barr was confined in the lockup without any authority for three days. It is asserted that Moffatt should have taken him before a Magistrate who could send him to jail, where he would be properly cared for. It is also charged that the lockup in Merriton would be better if more butter were extended to take from 200 to 300 barrels and the same agent suggests that Canadian cheese-makers get after the Yorkshire trade, where the people are partial would be properly cared for. It is also charged that the lockup in Merriton would be better if more butter were extended. have taken him before a Magistrate who could send him to jail, where he would be properly cared for. It is also charged that the lockup in Merritom is not legally established by by-law, and, being in the basement of the town hall, is not a fit place for imprisoning any person. An order has been made any person. An order has been made that the use of the cells be discontinued until the place has been properly in spected and approved. Chief Moffatt made a statement to Judge Carman, which, to a certain extent, was satisfactory, and his Honor stated that if the village council would place the lockup in a condition satisfactory to himself and the county crown attorney the sus-pension would be removed in a few days.

note of this woman's bravery, so that
her heroic service might be suitably recognized. He added that her labors were not confined to the telegraph office, but

that she rendered distinguished service "It is a pleasure to hear of such heroic acts," said Capt. Cox, one of the commissoners, while Capt. Gaudin, the chairman of the board, said a special nention would be made of Mrs. Patterson in the report.

TRUE TO THE LAST.

An Unfortunate Girl Dies Without Incriminating Her Betrayer.

Winnipeg, Feb. 26.—Ettie Langley, an unfortunate girl, whose condition at Olaresholm, Alta., has resulted in the orarestoim, Arta., has resulted in the arrest of two men, is dead. When death appeared imminent, a MacLeod surgeor was employed to examine the patient for the Attorney-General. No ante-mortem statement was secured. When her lover was arrested she firmly refused to say a word that would incriminate him, and later when the Calgary doctor was involved the girl continued to maintain sil-

Her resolution was unshaken by urging of friends, and she died with the secret of her misfortune unrevealed. The affair has caused intense excitement in and around Claresholm. The girl and her people came to town from the United States ast winter. Her reputation was good.

The Mounted Police have charge of the prosecution, but it is said the evidence n their possession placing responsibility s very slight.

TUDGE PAID COSTS.

Gave Judgment Against Suitor and Paid

Expenses. Toronto despatch: It is rather an unusual episode when a judge gives judg-ment against a suitor and then pays his costs. Such an incident occurred in the Division Court yesterday, when an old soldier, named Blake, sued a shoemaker, Schneider by name, for \$2.50. The former had taken a pair of military boots, the gift of a major-general and a pair of shoes, to be repaired. Schneider charged him a sum he believed excessive, so offered to sell the boots, and believed he was offered \$2.50. The shoemaker claim ed that he offered only the difference between the cost of repairs and \$2.50. Judge Morson decided that Schneider was to retain the boots in full of ac

money.
