The mayoralty contest seems to have been lost sight of in the quest for oil in Ruleigh.

What's the matter with the Lake Erie having band excursions at Erieau while this weather lasts?

Those Tilbury youths who went hunting and shot a cow, must have been half shot themselves.

People pay money for oil to burn, but there'll be many who will burn money seeking oil in Raleigh.

Is the reason why so many lambs are fleeced to be found in the delight that lambs take in gamboling?

I think that promoter of the city fuel yard rather imagines now that it was a fuel of a thing for him to do.

That Italian Marine Band must surely have "blew" itself or it would not have got stranded in St. Thomas. If a place for that prospective facory cannot be purchased for \$500, I am afraid that concern will be out

Everybody between here and Darrell knew the Chatham football team had won Saturday. The Chatham football team is like the rooster. It crows when it wins.

The Canada Co. has a cinch on the oil fields of Raleigh. They can travel all over a farmer's farm, dig holes, spoil his crops and then laugh at the poor farmer.

It looks as if the Canada Co., had pulled the wool over the farmers' eyes. If the farmers get hold of the Canada Land Co. they will pull their wool, just to get even.

St. Thomas is such a dry town that the Italian Marine Band got stranded there. The sea of faces that greeted them at the Chatham Grand set the band afloat again.

A Hamilton man watched the big oil tank which passed through this city yesterday en route for the Raleigh oil well. The man from the Spectator's town sighed as he gazed at the tank, and was heard to murmur, "Oh, that my capacity were equal to that tank."

There are some people who don't like gushing girls and some people who don't like gushing oil wells. The gushing oil wells aren't liked because it is feared that they won't last. I wonder if gushing girls are disliked for the same reason.

"I was a great sufferer from dyspepsia for over two years, and was a complete physical wreck."

Writes Mr. Preston E. Fenstermacher, of Egypt, Lehigh Co., Pa. "I also suffered much with constipation. I tried many different medicines which were recommended to cure the trouble but these only made me worse. I had such a weak and debilitated appearance that it seemed as if I had hardly any blood in my whole body. At last I came across an advertisement of Dr. Pierce's. I at once tried Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets.' I used about eight vials of the 'Pellets' and ten bottles of the 'Discovery' which brought me back to my former state of health."

After we had viewed the sky scrapers ands een the parks we got hungry and hied ourselves to a restaurant. I ordered steak and the girl asked if we would have it well done or rare. I said rare, and my friend duplicated my order. We soon got our steak just nicely warmed on both sides. Being hungry, I fell to work. Suddenly I noticed bat my French friend was not

caring. Locking up I saw him madly signalling the walter. Presently waiter girl came "Why didn't you cook this steak," queried my friend of the foreign tongue. "You asked for it rare,' replied the waiter. "Yes, but I did not ask for it raw," replied the gallant Frenchman, calmly and confidently. The girl took the steak back to cook it while I quietly laughed.

Ademard Coderre Used Dodd's Dyspepsia Tablets Three Years Ago And Has Had No Indigestion Since.

These days of hurry and excitement are bound to make themselves felt in the overworked human body, and on no part of it do they tell more quickly than on the stomach. An extra strain of work, and especially brain work, always must affect the appetite, and what affects the appetite must affect the stomach. And if the stomach is not cared for, rested and recuperated, Dyspepsia must result. Dodd's Dyspepsia Tab-lets rest the stomach and keep it in fit condition to do its work easily and well. They also cure Dyspepsia in its worst form. Thousands who have been cured by Dodd's Dyspepsie Tablets will tell you so. Ademard Coderre, of St. Jacques de L'Achigan, Coderre, of St. Jacques de L'Achigan, is one of these. Listen to his story:

"I suffered from Dyspepsia caused by inflammation of the stomach," says Mr. Coderre. "I tried medicines without getting relief and was almost discouraged. One day I read of the cures performed by Dodd's Dyspepsia Tablets and I bought two hores of Tablets and I bought two boxes of them. I found relief almost at once and was finally completely cured. "It is three years since I was cured of Dyspepsia by taking Dodd's Dyspepsia Tablets and I am still Dyspepsia

International Bible Lessons for tomorrow: - "World's Temperance Lesson," Isa 28: 1-13.

Golden Text-"They also have erred through wine."

Our last lesson portrayed Israel's idolatry; to-day's lesson Israe.'s drunkenness and debauch. No one need go back to Isaiah's time for a temperance lesson. The fat valleys of Canaan and the drunkards of Ephrain. are duplicated all around the world, but especially in Christian lands. How shamefully true of Great Britain, the United States and France and Germany keeping us sad campany. God pity us with the filth of our intoxication. Canada, the temperate, consuming the last fiscal year nearly a gallon a head of strong drink and over five gallons per head of beer. We read of a council of African chiefs and head men, deciding to accept Mo hammatanism with its slavery cruelty but its prohibition, as preferable to Christian civilization with its drink traffic, and its accompan ments. I have the list of 46 licenses issued 30 years ago in this town, and only one name of that list is thensed to-day, the majority have gone to their account, "for we must all be made manifest before the judgment seat of Christ that each one may receive the things done in (or through) his body according to what he hath done, whether it be good or bad." We are acting for or against Christ daily.
