Diminutive Manager to Lead J. Walker Team Again -

Capt. Saunders Cannot Play For U.N.B. Against Acadia

Red and Black's Leader is Definitely Unable to

ACADIA'S TEAM COME TONIGHT

Game Tomorrow Not to be Called Uniti Four

The U.N. B. team silnal practice was not without a casualty as Miller, who has used on the half line in the first art, of the game with King's and

a turn were lucky to win from S

A Deadlock Over Referee

Up to a late hour this morning there still remained a deadlock in the negotfations which have been going on between U. N. B. and Acadia over the selection of a referee for tomorrow's Intercollegiate Rugby League game here.

Acadia, it is said, have definitely refused to allow Sgt. Major Jack Asten, one of the most efficient referees ever to handle a whistle in the East, to officiate, and U. N. B., although said to have the backing of Mount A. in insisting that Asten be the referee, are said to be relenting somewhat.

Jack McBeath, of Moncton, who was one of U, N. B.'s most rugged players of a few years ago, is mentioned as a possible choice. Under the rules "Hump" Campbell, Loy Buckley, R. Chipman, Jack Asten, Jack McBeath, Mike Dryden and Dr. McDonald compose the list from whom selections must be made; but the time is drawing close when only one or two of the list will be able to get here in time, for the game, if selected.

If a choice cannot be agreed upon from the list, it is high time somebody else who is capable is chosen. J. W. Allen, a member of the Referee's Union in the United Kingdom, has been giving excellent satisfaction in Halifax City League games this season

the same time have the effect of ending every wearer of the free and King's College Claim That shall be that is invaluable in Dalhousie Must Forteit Their Unplayed Game With Them

harters will be Chin, Lounsbury and Dalhousie Seems to Have Regarded Halifax City League Game urgess and the forwards will be as More Important Than Playing King's in Eastern Section of Intercollegiate League

Dalhousie was influenced in their holde of the latter alternative by the fact that really more depended in their playing the city league game that they were the fact that really more depended in their playing the city league game. Hall-lake f postponing Satisfies that they were the game knowing that be firstled to King's really more at stake in the local was thus placed be-

known as to their real strength. If the gold and diack did not come lost to Halifax Wanderers at down. Dalhousle was that placed between two fires. If they went to Dalhousle has won the city champion-following Saurday at Woltville, the Wanderers played without fall each helf-best players. Since the Wanderers, at full strength, just nosed out by Dalhousle, who sure were lucky to win from St.

ROOT PULPER

Root Pulper No. 7 is the very latest and best machine in face-plate Root Cutters. The knife wheel weighs OVER ONE HUNDRED POUNDS—the heaviest wheel on any similar Root Cutter. The Main Shaft is cold rolled steel running in roller bearings. Owing to the combination of such a heavy wheel with roller and ball bearings, when once started on the run the wheel keeps on revolving pretty nearly forever. This means that your labor goes into cutting and is not absorbed by friction of bearings.

RAPID EASY PLATE GRINDERS

"Rapid-Easy" Grinders do more work with the same power than other plate grinders. All these machines have steel main shaft of large diameter, ball bearing at thrust end of shaft, a most simple and effective device for the instantaneous separation of the grinding plates while the machine is running, perfect feeding arrangement and the most durable grinding plates in use on any grinder. The Plates are REVERSIBLE, giving double the wear.

STRAW CUTTERS

The above mentioned Root Pulper, Grain, Grinders and Straw Cutters are manufactured by J. F. Fleurys' Sons and like other Fleury products give the very best of satisfaction. -Sold in New Brunswick by-

Francis Xafvier. But all that doesn't imply very much when one wishes to figure their strength as compared with U. N. B. However, Acadia can be counted upon to send a team of well conditioned footballers who have had the benefit of all that plenty of funds, excellent equipment, their squad quartered in residence and the most entered in residence and the most entered in residence and the growth of the will satisfy that of a college spirit mean in moulding a powerful Rugby machine.

Manager Ken Wills of the U. N. B.

chine.

Manager Ken Wills of the U. N. B. team—evidently with a keen eye on the gate receipts—has advertised 4 p. m. as the starting hour of the game. This may be justified from the financial standpoint but, as a matter of fact, it has drawn attention to the necessity of the executive of the Intercollegizate League taking action to fix an hour at which all games shall start—it shouldn't be later than 3 p. m.—J. D. B.
