**ACCIDENT.**—A sad accident happened on the morning of the 30th ult., by which one Albert Hardy met his death. He was working in the Elgin Spool Factory, tending the great circular, and while resting his arm on the belt the saws were suddenly set in motion and before he was aware of it he was thrown against the saw. The saw threw him several feet with one leg almost severed from the body, the other cut about the knee, almost through, while one hand was terribly mangled. The poor man did not know the doctor was summoned, but stated that it would be impossible for him to live. The sufferer said that if by taking of the leg it were possible to save his life he wished it done. On Friday afternoon Doctors McDonald, Burnett and Robinson amputated the limb. The injured man never came to his senses. He was buried, last Sunday, in the Methodist cemetery. Deceased was a native of Prince Edward Island. He came to this place, last September, bringing his wife. He used to often speak of his mother, who he said had endeavored to bring him up as a Christian. He seemed prepared for death, and hoped for a bright future.—*Maple Leaf.*

**Consumption.**—For the cure of this distressing disease there has been no medicine yet discovered that can show more evidence of real merit than ALLEN'S LUNG BALSAM. This unequalled expectorant for curing Consumption and all diseases leading to it, such as of the Throat, Lungs, and all diseases of the pulmonary organs, is introduced to the suffering public after its merits for the cure of such diseases have been fully tested by the Medical Faculty. The BALSAM, consequently, recommended by physicians who have become acquainted with its great success.

**LONDON, Ap. 6.**—A press association gives the following account of Sarah Bernhardt's marriage:—Miss Bernhardt gave no previous notice of her wedding. At eight o'clock this morning a gentleman called at the church and said that he desired to make arrangements for a marriage. An official informed him that a license was necessary. The gentleman left the church to procure a license, having obtained which he returned accompanied by the Bernhardt. They were attired in ordinary dress. A French lady and gentleman and the officials of the church were the only witnesses. As announced, M. Damsis and wife left for Spain. Sarah Bernhardt will appear at a Madrid theatre on Sunday. M. Damsis will perform with her in London in May. Sarah Bernhardt wore a very long, closely fitting sealskin cloak, trimmed with fur. M. Damsis is a fine looking middle-aged gentleman.
