VETERINARY PRACTICE,

Under the Patronage of His Excellency Sir ALEXANDER BANNERMAN, *Knight.*

GEORGE LORD, begs leave respectfully to intimate to his friends and the public in general, that he has resumed his practice in the VETERINARY LINE, under the patronage of His Excellency Sir ALEXANDER BANNERMAN, Knight.

After a successful practice of 27 years—14 in England and 13 in America—in the course of which he has been directly instrumental, through his skill, in saving, for their owners, the lives of many valuable HORSES and COWS; he hopes that, in now soliciting a renewal of PUBLIC PATRONAGE, he may be permitted to say that he considers himself to be as well qualified to prescribe MEDICINES and preform OPERATIONS, in the capacity of a HORSE and COW DOCTOR, as any individual who has ever practised in that line in this Colony; and he, therefore, presumes that he may confidently look forward to a renewal of that patronage which he formerly enjoyed in this Island.

RESIDENCE—Next door to the Victoria Hotel, Water Street, Charlottetown.

REFERENCE.—Messrs. DesBrisay & Co. Apothecaries' Hall. At the Depot of the Royal Agricultural Society.

Halifax, 19th July, 1853.

ARCHIBALD SCOTT, Esq.

SIR,—As the Agent of various *Fire Insurance Companies*, I beg to bring under your notice my *PATENT ARTIFICIAL SLATE*. This composition has been upwards of, three years extensively used in New Brunswick, Newfoundland and Prince Edward Island, the Canadas and Nova Scotia, principally for covering shingled roofs, as you will perceive by the accompanying circulars of certificates. It has been severely tested, and proved most successfully its fire proof qualities under most extraordinary circumstances; so much so, that I am of opinion that Fire Insurance Companies should encourage its general application to all kinds of wood building (where the color would be no objection to its being used, such as the back walls of dwellings in the city, out houses, ware-houses, &c., as well as the roofs) by lowering the premium of insurance on such buildings as are covered.

I have the honor to be, sir,
Your obedient servant,
J. W. ROSS.
Patentee and Manufacturer.

Halifax 14th July, 1853.

SIR,—In answer to your note of the 12th inst. I consider the use of your "Artificial Slate Paint" on shingled Roofs, as greatly diminishing the risk against Fire—I have frequently reduced the premiums on Buildings in the Country, upon its application.

I am, sir, your ob't servant,
ARCH'D. SCOTT,
Insurance Agent.

BELLS! BELLS! BELLS!

THE Subscribers manufacture and keep constantly on hand, all sizes of Church, Factory, Steamboat, Ferry, Locomotive, School House and Plantation Bells, with the *best* description of Hangings.

These Bells are made from the *best* stock, and the small sizes undergo the same process in manufacturing as Church Bells. An experience of thirty years, with a great many *recent* improvements, and an entirely new method of casting, enables us to obtain the most melodious tone, combining also, in extraordinary vibration.

Nearly 9,000 Bells have been cast and sold from this Foundry, which is the best evidence of their superiority. We have fifteen Gold and Silver medals at our office, which were awarded for the "best Bells for sonorousness and purity of tone." We pay particular attention to the getting up Peals or Chimes, and can refer to those furnished by us. Our establishment is contiguous to the Erie and Champlain Canals, and Railroads running in every direction, which brings us within four hours of New York. Cash paid for old Copper. Old Clocks, Levels, Compasses, Transits, Theodolites, &c., for sale, of superior workmanship. All communications, either by mail or otherwise will have immediate attention.

TO MECHANICS, Manufacturers and Inventors.

THE *SCIENTIFIC AMERICAN* is a journal of Scientific, Mechanical, and other improvements; the advocate of industry in all its various branches. It is published weekly in a form suitable for binding, and constitutes, at the end of each year, a splendid volume of over 400 pages, with a copious index, and from five to six hundred original engravings, together with a great amount of practical information concerning the progress of invention and discovery throughout the world.

The Scientific American is the most widely circulated and popular journal of the kind now published. Its Editors, Contributors, and Correspondents are among the ablest practical scientific men in the world.

The Patent Claims are published weekly and are invaluable to Inventors and Patentees.

A FARM TO BE LET,

AND POSSESSION GIVEN IMMEDIATELY.

IT is situated Nine miles from Charlottetown on the entrance of the New Glasgow Road, and consists of a 100 acres more or less; the property of JOHN HUDSON, late of the 8th (King's) Regt., and on which he now resides,—the farm will be let for a term of 10 15, or 20, years. The dwelling house is very comfortable but not very large, there is a well of water at the kitchen door; the office houses are very commodious and will contain a number of cattle. There are two barns, one for hay, with a granary on it, and the other for thrashing, containing a new set of machinery, both thrashing mill and fanners. The thrashing mill is of four horse power, and of great speed, thrashing at the rate of 50 stooks an hour. The fanners are quite new and very good ones. The land is all clear and in good condition, except about 3 acres of swamp. There is a brook passes through the land in the pasture ground, and also a spring rises about 20 chains higher up. The House is situated on the eastern side of a hill. The land is well fenced in fields of 6 or 7 acres each; there is a Grist Mill about half a mile from the residence, and a saw mill nearly the same distance. Good accommodations can be had in the Church of England, distant from the dwelling about a mile and a half.

Terms may be known by applying at *Haszard's Gazette* office.

A CARD.

MRS. WINSLOW TO THE LADIES.

MRS. WINSLOW, an old an experienced nurse and Female Physician, would call the attention of the Ladies to her Soothing Syrup for children teething. It will immediately relieve them from pain, allay all spasmodic action, soften the gums, reduce inflammation, and is sure to regulate the Bowels. Depend upon it Mothers, it will give rest to yourselves and relief and health to you, children.

Price, 25 cents per bottle.

We have sold very large quantities of Mrs. Winslow's Soothing Syrup during the past six years; several thousand the last year. We believe, it the best medicine in the world for children teething or for the cure of Dysentry and Diarrhea in Children, whether it arises from teething or any other cause. It gives universal satisfaction—never never heard a complaint from any one using it, never sold a medicine so universally successful in relieving pain and effecting cures—relief is *a boolutely sure*.

WONDER OF THE WORLD.

Gravel Cured of five years standin

Messrs. CURTIS & PERKINS, Bangor, Me.

Gentlemen,—I have been entirely cured of the Gravel, by the us of your *Cramp and Pain Killer*. I commenced taking the Cramp and Pain Killer in the Spring of 1847. I had been a great sufferer for ten years previous; some four or five years of the time I suffered beyond all my powers to describe.

During this time, I have had medical aid, and tried various spe- cifics, but found very little relief until I obtained your Cramp and Pain Killer. In one month after I commenced using it, I began to grow better. I continued to use it for a year, all the time improving until I was entirely cured. MILES STAPLES.

We, the undersigned, are well acquainted with the above case, and certify to the above statement of facts.

Doctor Toby, a regular practising Physician, of East Machias, writes us under date of March 20, 1847:

"Please send me half a gallon of your Cramp and Pain Killer—it is the best medicine to cure what it is represented to, that I everused."

The Doctor first made use of it in his own case, for a severe sprain in the shoulder, caused by the upsetting of a stage, and found immediate relief, and has since used it in his practice.

Read the following. It speaks for itself.

RHEUMATISM CURED.

I certify, that I was afflicted with a violent Rheumatic pain in the small of my back, which entirely disabled me, so that I could not get up without the greatest pain and effort; nor could I walk without a cane, and but very little with. I applied Doctor Johnson's Anodyne Liniment, or Liquid Opodeldoc, and several other remedies, without any relief. After suffering in this way about a week, I purchased a bottle of *Cramp and Pain Killer*, prepared by CURTIS & PERKINS, Bangor, and after *three applications* was entirely relieved and free from pain, and am now entirely well. I also cured a friend of mine, who had been suffering for a long time with a lame side, with the same bottle. I believe it the best medicine in the world, and am happy to add my testimony in its favor.
