## WEDDING BELLS

CRAWFORD—MUNRO

There took place at noon on Nov. 1st, at 3 Jubilee road, a wedding which interested a wide circle, not, indeed, restricted to the city of Halifax, or the province of Nova Scotia,—that of Dr. Blanche Munro, daughter of the Rev. J. R. Munro, now of Vancouver, but formerly minister in charge of the Presbyterian church at Antigonish, and the Rev. J. A. Crawford, of Fintona, Scotland, but a graduate of the Presbyterian College, Pine Hill, and at one time in charge of the Presbyterian church at River John, in the hearts of whose people he yet holds a large place.

Dr. Munro is a graduate of Dalhousie University, and a most valued member of its Alumnae Society, five years residence in India, where she was engaged in work as a medical missionary, not having in the least degree affected her interest in university life. Her address bearing upon missionary work in India at the last annual meeting of the Alumnae, will be recalled by all who were present as a most interesting detail of the program. If she is loyal to Dalhousie, it may be on the other hand he said that Dalhousie is both proud and fond of her.

The marriage ceremony was performed by the grandfather of the bride, Rev. H. B. MacKay, who was assisted by her uncle, Rev. Christopher Munro.

The drawing room bore effective decorative touches in honor of the ceremony—simple and for that reason beautiful.

Miss Munro, looking very lovely in a gown of white satin, and carrying a bouquet of white roses, was attended by her sister, Miss Alberta Munro, who wore a gown of cream crepe de chene and carried a bouquet of pink roses.

Rev. J. M. McLeod, (cousin of the groom) of New Mills, N. B., attended as best man.

Mr. and Mrs. Crawford left by the Maritime Express, proposing to visit Montreal and Toronto before sailing for Scotland. The best wishes of a host of friends will follow them across the Atlantic to the Scottish manse.

The bride's going-away gown was of dark green cloth.

The collection of wedding gifts was large, beautiful and valuable. It included a silver tea service from the congregation of St. George's Presbyterian church, River John, the groom's old charge, and a cabinet of silver from the congregation of Chalmers church, Coburg road.

The groom's gift to the bride was a pearl and peridot brooch, and to the bridesmaid, a pearl pendant.

### ALEXANDRA HENDERSON

There passed away suddenly and peacefully, on the morning of the 2nd inst. a young woman, well known to many travellers and tourists, Miss Alexandra Henderson, only daughter of Mrs. Henderson of Bay Shore House, Charlottetown, N. B.

Her bright and cheerful spirit, her pleasing manner and winsome kind ness endeared her to all her acquaintances. She was a member of the Presbyterian Church, Charlottetown, and a general favorite in the community. Her death at the early age of thirty is mourned by a large circle of friends. Much sympathy is felt for her mother her brother and sister-in-law in their sad bereavement.

The Men's Missionary Congress to be held in St. John, Nov. 20th, to 22nd, serves to direct the attention anew to what someone has termed "the biggest thing in the world" certainly the greatest factor in recent years in the spiritual awakening of the manhood of our churches—the Laymen's Missionary Movement.

Whatever attitude one may profess towards missions in general, the position of the Men's Missionary Movement is so fair as to challenge the most kindly consideration of every right-thinking man. The purposes of the movement, to investigate the missionary needs of the church at home and abroad and then to inspire the manhood of the church adequately to support the great enterprise, are broadening and uplifting.

## G. T. P. APPRECIATED

The Grand Trunk Pacific are in receipt of a letter from a prominent traveller in Eastern Canada, who has just returned from a trip to the West, and which included a journey on the Grand Trunk Pacific from Winnipeg to Wainwright and return.

He states—"I must say it is one of the pleasantest experiences in a long life of travel. Having seen the road in the making, and being aware of the high standard set up, I was prepared for a good roadbed, and was not disappointed, for we rode as smoothly as between Montreal to Toronto. The sleeping cars are models of comfort, and the service on them as well as the dining cars, couldn't be better. The Grand Trunk are setting the pace for general excellence in Western Canada."

### Boy Scouts

The necessity of providing the Boy Scouts with some representative music has been exercising the minds of the authorities for some considerable time. Although a large number of march movements have been submitted the difficulty of finding a work that was characteristic of youth that would appeal to the spirit of youth and that would be thoroughly distinctive of the movement in general seemed destined to remain unobscured.

However the case has now been met by Mr. Alfred Cammeyer who has composed a stirring march that soon overcame the hesitation of the Officials by its simplicity and effectiveness and has been adopted as the Official March of the Boy Scouts Organization.

The Boy Scouts march is being gradually established as a feature throughout the Empire. It is well known that the response to the march is enthusiastic and it is to their reports.

## BEAVER FLOUR

combines the rich gluten of Manitoba Spring wheat and the lighter, but equally important, properties of Ontario Fall wheat. The two combined form a perfectly blended flour that makes bread light, white, nutritious and extremely palatable, while pastry made with Beaver Flour has a crisp, flaky texture that brings many a compliment to the cook.

You don't need to be an expert in baking to attain the best results with BEAVER FLOUR.

But if you are an expert, you will readily recognize its incomparable qualities. Your grocer has BEAVER FLOUR, and will recommend it.
