### WHEN SEPARATION ALLOWANCE CHECKS ARE MAILED

The following statement has been given out by the Militia department: "The attention of the Militia department has been called to erroneous statements which have found their way into the press, to the effect that separation allowance and assigned pay cheques for the month of January would be mailed on the 2nd instant. In order to avoid disappointment, and unnecessary correspondence, the military authorities desire it to be understood that these cheques will reach the payees on different dates, between January 10th and 20th. Mailing will commence on January 7th, and will continue in such quantities as can be handled by the post office during a period of ten days."

## YOU NEVER CAN TELL

what may be the result of cold in a wound of skin injury. Cold very soon sets up inflammation and festering, and unless Zam-Buk is promptly applied blood-poison may follow. Sometimes even amputation proves necessary. Zam-Buk will safeguard you against such serious possibilities.

Miss Belle Grant, of Brasil Lake, N.S., writes: "I burned my hand badly and then accidentally caught cold in it. The pain I suffered was terrible and the wound was badly inflamed and festering. I tried different kinds of salves, but nothing brought relief. I was by this time suffering so that I could not sleep at nights, and I feared blood-poisoning was setting in."

"Zam-Buk was recommended to me, and I commenced applying it. Before long I experienced the greatest relief; it drew out all the inflammation, the pain was ended and I could see the sore place was gradually healing. Perseverance resulted in a complete cure. Zam-Buk is certainly a wonderful balm and should be in every home."

### COUNCILLOR PARKER AD

### DRESSES YORK CO COUNCIL

The York County Council on Friday afternoon listened to an interesting address from Coun Thomas Parker of Doaktown, a member of the Northumberland Municipal Council, who in reviewing current events, referred shortly to several matters which the various councils are called upon to deal. He did not appear to be very enthusiastic with regard to the Provincial Government's scheme for distributing seed wheat and oats, the liability to be shouldered by the Council, nor did he like the present system of laying out lands under the Labor Act, which he claimed, only led to isolation, instead of community settlement. He referred also to the great need of a larger population, which would stimulate industrial enterprise and greater production. Some of the efforts of the Government, he said, reminded him of a story he once heard about a young doctor, who shortly after beginning practice was asked how he was getting on. "Well," he said, "I have only had one case so far—a confinement. And was that a success?" "Well, partly so; I should call it a kind of a draw; I lost the mother and lost the child, but I managed to save the father." A good many of the Government's efforts appeared to him (Parker) to result in "kind of a draw."

On motion of Coun Stairs a very hearty vote of thanks was given to Mr Parker for his very interesting and instructive address.

## I OWE MY HEALTH

To Lydia E. Pinkham's Vegetable Compound.

Washington Park, Ill.—"I am the mother of four children and have suffered with female trouble, backache, nervous spells and the blues. Lydia E. Pinkham's Vegetable Compound and Liver Pills restored me to health and I want to thank you for the good they have done me. I have had quite a bit of trouble and worry but it does not affect my youthful looks. My friends say 'Why do you look so young and well?' I owe it all to the Lydia E. Pinkham remedies."
