QUEBEC advices indicate that a bitter fight is going on between the two factions of the Grit party in the matter of the Levis election for the Provincial Legislature. Langelier, one of the candidates, accuses Premier Marchand of treachery towards the old Liberal guard, at the dictation of his col-league, who apes the power of the cZar of Russia. This old "Lib-eral guard" seems to be giving no end of trouble to those in power, both in Quebec and Ottawa. In the course of his remarks he said there could be no intelligent interest in the poolicies of the country unless the people read and studied a little and talked with each other a good deal. The way to study a coun-try was to get intelligent ballots. When the Liberal Conservative party fell in 1896, it fell in the pursuit and defence of good constitutional principles. Shorey Å Messrs. Of MONTREAL, offer HUNDRED DOLLARS \$100 REWARD Warning...

It has come to our knowledge that certain persons, for the purpose of helping off their unsaleable stock of clothing, have taken our guarantee cards from the pockets of garments of our make and have put them in the pockets of other goods of inferior make, thus leading the purchaser to believe he was getting Shorey's clothing and thereby damaging our reputation. We therefore wish to give notice to our customers and the public, that we will prosecute, to the full rigour of the law, any one whom we can prove to have done this, and we will pay a reward of \$100.00 to the person who will give us sufficient evidence to convict any dealer of this offence. H. SHOREY & CO., Montreal.

N.B.—We are spending a great deal of money to make the merits of our clothing kno to the public and we insist upon dealers giving people what they ask for.
